This book presents biographical portraits of 22 of psychology's pioneers, portraits of them as men and women as well as scientists. All of these portraits, many of them offered by a descendant, colleague, or student of the pioneer, are informal. Most of them are lighthearted, even humorous, in their approach. A few are intimate and personal.

Portraits of Pioneers in Psychology

Portraits of Pioneers In Psychology. The seven-volume series, Portraits of Pioneers In Psychology, was published under the sponsorship of Div. 1 (the Society for General Psychology) from 1991 to 2011. Edited by several of Div. 1's leaders, each volume includes informal, interesting biographies of major figures in the history of psychology, not all of whom are well-known.

Portraits of pioneers in psychology

Portraits of Pioneers in Psychology, Volume V is the next book in the inspirational and informative series that profiles psychology's pioneers. Leading scholars write about the psychological pioneers who influenced their own areas of expertise. As with previous volumes, this one also traces the origins of the major currents in psychology—from behavioral genetics to conditioning and learning, from personality and psychotherapy to gender, politics, and race.
