things are anything but normal... Brad turned 18 years old just as the pandemic hit and was looking forward to a benign world of adulthood. However, Strain-Z changed all of that and being a 'munie' made his world a whole lot different. In 2025 he's fighting to stay alive, trapped in the middle of a power struggle between the government and the independent communities. In a world where good and evil aren't that easy to distinguish, how will he decide which side he is on? James Phillips has created a novel that will challenge you to consider the fragility of our society and the lengths that people will go to for survival.

Alexandra Petri offers perfectly logical, reassuring reasons for everything that has happened in recent American politics that will in no way unsettle your worldview. In essays both new and adapted from her viral columns, Petri reports that the Trump administration was as competent as it was uncorrupted, white supremacy has never been less rampant, and men have been silenced for too long. The “ woman card ” is a powerful card to play! Q-Anon makes perfect sense! This Panglossian venture into our swampy present offers a virtuosic first draft of history that chronicles the chaotic half-decade from the twilight of the Obama years to the final gasp of the Trump administration. “ One of the difficulties of being alive today, ” Petri notes, “ is that everything is
