Acclaimed for the scholarship of its prominent authors and the clarity of its narrative, AMERICAN GOVERNMENT: THE ESSENTIALS preserves the structure of the main text but replaces the policy chapters with one brief chapter on the policymaking process while maintaining focus on three fundamental topics: the importance of institutions of American government; the historical development of governmental procedures, actors, and policies; and who governs in the United States and to what ends. Student involvement in the material is bolstered by proven pedagogical features such as learning objectives, Who Governs? and To What Ends? questions framing each chapter, and How Things Work boxes that illustrate important concepts. A state-of-the-art media package with new online tools makes the learning experience engaging and accessible. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The Essentials Edition of AMERICAN GOVERNMENT: INSTITUTIONS AND POLICIES is a clear and approachable text for students trying to successfully understand American government. It sets the standard for examining current issues in American politics, focusing on the importance of American governmental institutions, the historical development of governmental procedures and policies as well as on who governs in the United States and to what ends. The sixteenth edition includes concise learning objectives, highlighted key concepts and opportunities for practical application of contemporary debates on policy dynamics. These features allow students to identify important issues in American politics, maximize comprehension and engage with the material in a meaningful way. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

AMERICAN GOVERNMENT: INSTITUTIONS AND POLICIES: THE ESSENTIALS is a clear and approachable text for students trying to successfully understand American government. It sets the standard for examining current issues in American politics focusing on the importance of American governmental institutions, the historical development of governmental procedures and policies, and who governs in the United States and to what ends. It includes concise learning objectives, highlighted key concepts, and opportunities for practical application of contemporary debates on policy dynamics. These features allow students to identify important issues in American politics, maximize comprehension, and engage with the material in a meaningful way. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Acclaimed for the scholarship of its prominent authors and the clarity of its narrative, American Government sets the standard for public policy coverage while maintaining focus on three fundamental topics: the institutions of American government; the historical development of governmental procedures, actors, and policies; and who governs in the United States and to what end. Proven pedagogical features involve students in the material , including chapter outlines, suggested web links for research, and How Things Work boxes that summarize basic information and important facts. Components of the media package include web resources such as primary source documents, election ads, audio clips, and interactive activities. Most of the features include related pedagogy or critical-thinking questions. Chapter pedagogy that encourages critical thinking includes Who governs? And to What Ends? questions that open each chapter to engage students in the material, and Reconsidering Who Governs and Reconsidering to What Ends at the close of the chapter to emphasize the complexity of the questions. Landmark Cases features identify influential Supreme Court decisions in areas such as affirmative action, the media, and foreign affairs. What Would You Do? boxes in relevant chapters help students act as decision makers by presenting them with a realistic domestic policy issue, which they can consider in a paper or class discussion.

Wilson/Dilulio/Bose/Levendusky's AMERICAN GOVERNMENT: INSTITUTIONS AND POLICIES, ENHANCED, 16th Edition, combines excellent scholarship with practical examples and insight to give you a clear understanding of the U.S. government. The authors highlight current issues in American politics, focusing on the importance of governmental institutions, the historical development of procedures and policies as well as on who governs in the U.S. and to what ends. Up-to-date coverage includes changes during the Trump administration and results of the 2018 midterm elections. Links to contemporary debates on policy dynamics give you the opportunity to identify important issues in American politics, apply what you learn and maximize your comprehension. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Acclaimed for the scholarship of its prominent authors and the clarity of its narrative, AMERICAN GOVERNMENT: THE ESSENTIALS focuses on three fundamental topics: the importance of institutions of American government; the historical development of governmental procedures, actors, and policies; and who governs in the United States and to what ends. The policymaking process and politics of policy are discussed in Chapter 1, and new Policy Dynamics: Inside/Outside the Box features integrate policy coverage throughout the text without the extra length of domestic and foreign policy chapters. Features such as learning objectives, Constitutional Connections relating current issues to founding principles, and How Things Work boxes illustrating important processes, help you organize your study and master the book's key concepts. The state-of-the-art media package available for this text provides online tools that help you interact with the material to prepare for class, study for exams, and succeed. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The best-selling book published for American Government, AMERICAN GOVERNMENT AND POLITICS TODAY: THE ESSENTIALS helps students experience the excitement that comes from active, informed citizenship in a concisely organized package. Bardes, Shelley, and Schmidt's text is renowned nationwide for its balanced, unbiased, comprehensive, and up-to-date coverage of constitutional, governmental, political, social, and economic structures and processes. The overriding theme is the importance of informed active citizenship. The pedagogy underscores this theme by soliciting critical thinking about political issues and encouraging students

to become involved the political process. With keen awareness of its audience, AMERICAN GOVERNMENT AND POLITICS TODAY: THE ESSENTIALS incorporates current examples, the Internet, and other media to stimulate learning and excitement about American government. This truly interactive text gives students more than reading material—it gives them tools to become good citizens.
