The American Indian Religious Freedom Act, Public Law No. 95-341, 92 Stat. 469, codified at 42 U.S.C. § 1996, is a United States federal law, enacted by joint resolution of the Congress in 1978. Prior to the act, many aspects of Native American religions and sacred ceremonies had been prohibited by law. The law was enacted to return basic civil liberties to Native Americans, Inuit, Aleuts, and Native Hawaiians, and to allow them to practice, protect and preserve their inherent right of ...

American Indian Religious Freedom Act - Wikipedia

American Indian Law is a very specialized area of law and one does not enter into a solid understanding of its principles and practices easily. As Judge Canby himself notes, when you speak about American Indian Law, you are first talking about "Federal law about Indians". Such is the focus of Judge Canby's efforts: federal law about Indians.

This casebook provides a lucid introduction to the legal relationships between American Indian tribes and the federal government and the individual states. With original contextual material, the authors highlight the field's profound contradictions yet also emphasize its application and real world effects. The casebook incorporates the foundational cases with statutory text, hypothetical questions and other learning tools, and photographs and images to enhance student engagement. The chapters also highlight tribal actions that shaping and respond to the law, and include materials on tribal courts, constitutions, and other sovereign institutions. Throughout, students are exposed to differing scholarly views regarding the coherence and effects of this body of law.

This second edition keeps pace with legal developments in policy, federal law, and court decisions, while it continues to fill a unique niche as a primary and secondary text for courses in the field. Updates are provided for key developments such as the recent U.S. Supreme Court decision on tribal sovereign immunity and the release of the U.S. Bureau of Indian Affairs Guidelines on the interpretation of the Indian Child Welfare Act. A new chapter on Ethics and Professional Responsibility in Indian Law Practice is included. -- from publisher's website.

Approaches the study of Indian law through the lens of 16 of the most impactful law review articles.

Mastering American Indian Law is a text designed to provide readers with an overview of the field. By framing the important eras of U.S. Indian policy in the Introductory Chapter, the text flows through historical up to contemporary developments in American Indian Law. This book will serve as a useful supplement to classroom instruction covering tribal law, federal Indian law and tribal-state relations. In ten chapters, the book has full discussions of a wide range of topics, such as: Chapter 2 – American Indian Property Law; Chapter 3 – Criminal Jurisdiction in Indian Country; Chapter 4 – Tribal Government, Civil Jurisdiction and Regulation; Chapter 8 – Tribal-State Relations; and Chapter 9 – Sacred Sites and Cultural Property Protection. Throughout the text, explanations of the relevant interaction between tribal governments, the federal government and state governments are included in the various subject areas. In Chapter 10 – International Indigenous Issues and Tribal Nations, the significant evolution of collective rights in international documents is focused upon as these documents may be relevant for tribal governments in relations with the United States. For Indian law courses, law school seminars on topics in American Indian Law, undergraduate and graduate level American Indian Studies classes, and those interested in the field, this book will provide an easy-to-read text meant to guide the reader through the historical to the contemporary on the major aspects of American Indian law and policy. This book is part of the Carolina Academic Press Mastering Series edited by Russell L. Weaver, University of Louisville School of Law.

Nearly every American Indian tribe has its own laws and courts. Taken together, these courts decide thousands of cases. Many span the full panoply of law—from criminal, civil, and probate cases, to divorce and environmental disputes. American Indian Tribal Law, now in its Second Edition, surveys the full spectrum of tribal justice systems. With cases, notes, and historical context, this text is ideal for courses on American Indian Law or Tribal Governments—and an essential orientation to legal practice within tribal jurisdictions. New to the Second Edition: A new chapter on professional responsibility and the regulation of lawyers in tribal jurisdictions Enhanced materials on Indian child welfare Additional materials on tribal laws that incorporate Indigenous language and culture Additional examples from tribal justice systems and practice Recent and noteworthy cases from tribal courts Professors and students will benefit from: A broad survey of dispute resolution systems within tribal jurisdictions A review of recent flashpoints in tribal law, such as internal tribal political matters, including intractable citizenship and election disputes enhanced criminal jurisdiction over nonmembers and non-Indians tribal constitutional reform, including a case study on the White Earth Nation Cases and material reflecting a wide range of American Indian tribes and legal issues Excerpts and commentary from a wellspring of current scholarship

The first social history of American Indians' role in the making of American law sheds new light on Native American struggles for sovereignty and justice during the "century of dishonor," a time when their lands were lost and their tribes reduced to reservations.

This guide provides a reliable resource on American Indian law. This authoritative text covers the essentials of this complex body of law with emphasis on the governmental policies underlying it. It includes chapters on Indian gaming and Alaska native law, but does not include specialized problems of Oklahoma and New York Indians, urban Indians, or native Hawaiians.
