"A renowned quilt historian . . . present[s] what she considers to be an accurate assessment of slavery, quilts and the Underground Railroad." —Time Recall an unforgettable phase of our nation's history with America's leading quilt historian. Barbara Brackman presents the most current research on the role of quilts during the time of slavery, emancipation, and the Underground Railroad. Nine quilt projects combine historic blocks with Barbara's own designs. Did quilts really lead the way to freedom? What role did quilts play? Barbara explores the stories surrounding the Underground Railroad. Read about the people who were there! First-person accounts, newspaper and military records, and surviving quilts all add clues. YOU decide how to interpret the stories and history, fabrication and facts as you learn about this fascinating time in history. Excellent resource for elementary through high school learners—curriculum included! "Quilters interested in African American slavery and quilting will find many historically accurate, teachable moments within these pages. The first-person accounts by slaves of their quilt making, quilt parties, and stolen quilts make emotional reading. A must-have book for your quilting library!" —Kyra Hicks, author of *Black Threads* "Brackman skillfully assembles accurate historical evidence along with beautiful quilt examples infused with slave-era symbolism." —Dr. Carolyn Mazloomi, author of *Threads of Faith* "Many of persons featured or quoted are women with a connection to the 'peculiar institution': slaves, escaped slaves, freed slaves, plantation owners, abolitionists, and so forth . . . teaches history through quilting and offers fun projects for history-minded quilters . . . the stories offer good starting points for one's own research and the projects are beautiful." —Beth's Bobbins

"In the 1930s, *The Farmer's Wife* offered inspiration and positivity in the 'Letters from our farm women' column. Each month, the magazine published letters from readers that offered support and encouragement to each other in an economically challenging time for our country. The *Farmer's Wife* 1930s sampler quilt shares ninety-nine of these letters from *The Farmer's Wife* magazine published during the 1930s, and a traditional quilt block inspired by each one"--Back cover.

"History of medallion quilts with photos from the author's collection. Includes section on designing your own medallion quilt and some patterns"--Provided by publisher.

A funny thing happened on the way to the quilt show. . . . So the story invariably goes, because, where Robbi Joy Eklow (a.k.a. The Goddess of the Last Minute) goes, something funny is bound to happen--or simply to occur to her. As colorful and surprising as the quilts Robbi is famous for, the stories and reflections gathered here create an irresistible picture of an irrepressible character quilting and quipping her way through life. Filled with the kind of gems that have made her *Quilting Arts Magazine* column so popular, this book includes Robbi's musings on creativity and color, as well as on the trials and tribulations that every quilter faces. The Goddess of the Last Minute invites readers to take a wry look at those trials--and, with Robbi's wit and insight, turn them into the sort of crazy quilt that warms and brightens daily life. The story of how she became a Goddess, anecdotes of life on the road, encounters with fellow quilters: these and other often hilarious tales of a not-quite-charmed life make this quilter's compendium a delightful patchwork to contemplate, and to treasure.

A severed head is found on the Greek border near a wall planned to stop Middle Eastern immigrants crossing from Turkey. Intelligence Agent Evangelos wants the truth about the murder, human trafficking into Greece, and about the corruption surrounding the wall's construction. It is a mystery novel and a political thriller but more importantly it evokes the problems of the West incarnated in Greece: isolationism, fear of immigration, economic collapse, and corruption. While dark, it is also poetic and paints an indelible portrait of Athens, with its mixed fragrances of eucalyptus, freshly baked bread, and cigarette smoke.

My Soul Has Grown Deep considers the art-historical significance of contemporary Black artists and quilters working throughout the southeastern United States and Alabama in particular. Their paintings, drawings, mixed-media compositions, sculptures, and textiles include pieces ranging from the profoundly moving assemblages of Thornton Dial to the renowned quilts of Gee's Bend. Nearly sixty remarkable examples—originally collected by the Souls Grown Deep Foundation and donated to The Metropolitan Museum of Art—are illustrated alongside insightful texts that situate them in the history of modernism and the context of the African American experience in the twentieth-century South. This remarkable study simultaneously considers these works on their own merits while making connections to mainstream contemporary art. Art historians Cheryl Finley, Randall R. Griffey, and Amelia Peck illuminate shared artistic practices, including the novel use of found or salvaged materials and the artists' interest in improvisational approaches across media. Novelist and essayist Darryl Pinckney provides a thoughtful consideration of the cultural and political history of the American South, during and after the Civil Rights era. These diverse works, described and beautifully illustrated, tell the compelling stories of artists who overcame enormous obstacles to create distinctive and culturally resonant art. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 14.0px Verdana}
