Cas Lowood has inherited an unusual vocation: He kills the dead. So did his father before him, until he was gruesomely murdered by a ghost he sought to kill. Now, armed with his father's mysterious and deadly athame, Cas travels the country with his kitchen-witch mother and their spirit-sniffing cat. They follow legends and local lore, destroy the murderous dead, and keep pesky things like the future and friends at bay. Searching for a ghost the locals call Anna Dressed in Blood, Cas expects the usual: track, hunt, kill. What he finds instead is a girl entangled in curses and rage, a ghost like he's never faced before. She still wears the dress she wore on the day of her brutal murder in 1958: once white, now stained red and dripping with blood. Since her death, Anna has killed any and every person who has dared to step into the deserted Victorian she used to call home. Yet she spares Cas's life.

The Goddess War begins in Antigoddess, the first installment of the new series by acclaimed author of Anna Dressed in Blood, Kendare Blake. Old Gods never die... Or so Athena thought. But then the feathers started sprouting beneath her skin, invading her lungs like a strange cancer, and Hermes showed up with a fever eating away his flesh. So much for living a quiet eternity in perpetual health. Desperately seeking the cause of their slow, miserable deaths, Athena and Hermes travel the world, gathering allies and discovering enemies both new and old. Their search leads them to Cassandra—an ordinary girl who was once an extraordinary prophetess, protected and loved by a god. These days, Cassandra doesn't involve herself in the business of gods—in fact, she doesn't even know they exist. But she could be the key in a war that is only just beginning. Because Hera, the queen of the gods, has aligned herself with other of the ancient Olympians, who are killing off rivals in an attempt to prolong their own lives. But these anti-gods have become corrupted in their desperation to survive, horrific caricatures of their former glory. Athena will need every advantage she can get, because immortals don't just flicker out. Every one of them dies in their own way. Some choke on feathers. Others become monsters. All of them rage against their last breath. The Goddess War is about to begin. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Months after Anna Korlov opened a door to Hell and sacrificed herself for seventeen-year-old ghost hunter Cas Lowood, persistent visions of Anna being tortured cause Cas to decide to save her as she once saved him.

For three years, seventeen-year-old Cas Lowood has carried on his father's work of dispatching the murderous dead, traveling with his kitchen-witch mother and their spirit-sniffing cat, but everything changes when he meets Anna, a girl unlike any ghost he has faced before.

Girl of Nightmares, the acclaimed sequel to Kendare Blake's Anna Dressed in Blood. It's been months since the ghost of Anna Korlov opened a door to Hell in her basement and disappeared into it, but ghost-hunter Cas Lowood can't move on. His friends remind him that Anna sacrificed herself so that Cas could live--not walk around half dead. He knows they're right, but in Cas's eyes, no living girl he meets can compare to the dead girl he fell in love with. Now he's seeing Anna everywhere: sometimes when he's asleep and sometimes in waking nightmares. But something is very wrong...these aren't just daydreams. Anna seems tortured, torn apart in new and ever more gruesome ways every time she appears. Cas doesn't know what happened to Anna when she disappeared into Hell, but he knows she doesn't deserve whatever is happening to her now. Anna saved Cas more than once, and it's time for him to return the favor.

When federal agents learn that seventeen-year-old Cassel Sharpe, a powerful transformation worker, may be of use to them, they offer him a deal to join them rather than the mobsters for whom his brothers work.

Rory, of B â enouville, Louisiana, is spending a year at a London boarding school when she witnesses a murder by a Jack the Ripper copycat and becomes involved with the very unusual investigation.

This discounted ebundle includes: Anna Dressed in Blood, Girl of Nightmares “ Anna Dressed in Blood is a dark and intricate tale, with a hero who kills the dead but is half in love with death himself. By the end of the book, you will be too. Spellbinding and romantic. ” —Cassandra Clare, #1 New York Times bestselling author of the Mortal Instruments series Cas Lowood has inherited an unusual vocation: He kills the dead. So did his father before him, until he was gruesomely murdered by a ghost he sought to kill. Now, armed with his father's mysterious and deadly athame, Cas travels the country with his kitchen-witch mother and their spirit-sniffing cat. Together they follow legends and local lore, trying to keep up with the murderous dead—keeping pesky things like the future and friends at bay. Other Tor books by Kendare Blake The Goddess War Trilogy Antigoddess Mortal Gods Ungodly At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

In the final book in the #1 New York Times bestselling Three Dark Crowns series, an all-out war is brewing—one that will pit sister against sister and dead against undead. After the grim confrontation with Queen Katharine, the rebellion lies in tatters. Jules ' s legion curse has been unbound, and it is up to Arsinoe to find a cure, even as the responsibility of stopping the ravaging mist lies heavy on her shoulders, and her shoulders alone. Mirabella has disappeared. Katharine ' s reign remains intact—for now. When Mirabella arrives, seemingly under a banner of truce, Katharine begins to yearn for the closeness that Mirabella and Arsinoe share. But as the two circle each other, the dead queens hiss caution—Mirabella is not to be trusted. In this conclusion to the Three Dark Crowns series, three sisters will rise to fight as the secrets of Fennbirn ' s history are laid bare. Allegiances will shift. Bonds will be tested. But the fate of the island lies in the hands of its queens. It always has.

This discounted ebundle includes: Antigoddess, Mortal Gods, Ungodly “ Blake presents a gory, thrilling vision of the twilight of the gods, in all their pettiness and power, while letting readers draw their own messages and conclusions. ” —Publishers Weekly, starred review Old gods never die.... Or so Athena thought. As horrific afflictions bring the ancient immortal Olympians to their knees, a thoroughly modern Athena and Hermes travel the world searching for answers. What they find is Cassandra, the ordinary girl who can ' t remember her extraordinary past life. The Goddess War begins in Antigoddess, the first book in a riveting new horror series from Kendare Blake, critically acclaimed author of Anna Dressed in Blood.
