~~Archives, Museums and Collecting Practices in the Modern ...~~

Archives, Museums and Collecting Practices in the Modern Arab World fills a gap in collection studies, a growing area of concentration within the interdisciplinary field of cultural studies. It does not give a comprehensive overview; rather, it offers case studies of collecting practices in different Arab countries, at the same time highlighting their shared histories with colonial – and neo ...

Welsh Museums Federation - National Standard and Guidance for Collecting and Depositing Archaeological Archives in Wales. The National Standard and Guidance to Best Practice for Collecting and Depositing Archaeological Archives in Wales comprises a suite of documents which aim to make archaeological data, information and knowledge available, stable, consistent and accessible for present and future generations.

~~Welsh Museums Federation — National Standard and Guidance ...~~

This book deals succinctly and thoughtfully with the problems of collecting contemporary objects in museums. It aims to provide a working model for the future of contemporary collecting based on relevant debates and theories, and on past and current practices, and proposes answers to some of the many challenging questions raised:
