“Sophie Love's ability to impart magic to her readers is exquisitely wrought in powerfully evocative phrases and descriptions....This is the perfect romance or beach read, with a difference: its enthusiasm and beautiful descriptions offer an unexpected attention to the complexity of not just evolving love, but evolving psyches. It's a delightful recommendation for romance readers looking for a

father—just a week before her wedding. Their reunion changes both of their lives, and unlocks the key to the house's many secrets, and to Emily's missing memories. Spring has finally arrived at Sunset Harbor, and with just a week to go until the big wedding date, the wedding preparations are busier than ever, including Daniel's surprise talk of a honeymoon. Will Emily and Daniel have their dream wedding? Or will someone appear to tear it apart? Meanwhile, Chantelle's custody battle comes to a pitch, and as Memorial Day looms, they must figure out what to do with Trevor's house. Yet amidst all of this, another issue weighs most heavily on Emily's mind: will she herself ever be pregnant?

FOREVER AND A DAY is book #5 in a dazzling new romance series that will make you laugh, cry, keep you turning pages late into the night—and make you fall in love with romance all over again. Book #6 will be available soon. “A very well written novel, describing the struggle of a woman (Emily) to find her true identity. The author did an amazing job with the creation of the characters and her description of the environment. The romance is there, but not overdosed. Kudos to the author for this amazing start of a series that promises to be very entertaining.” --Books and Movies Reviews, Roberto Mattos (re For Now and Forever)

A man can only have one great love, and mine was the sea. Until I pulled a half-drowned heiress out of the water. Until I kept her as mine. Until I hurt her to prove I didn't love her. Now we're surrounded. Dangerous pirates want to use her for their own purposes. I won't give her up that easy. I have a lifetime of treasure to protect. But with the ship going down, there's only one thing I want to save. Her. A Deal with the

Life's not a fairytale for women like me, divorced and creeping up on middle age...until a hot younger man finds my lost shoes. Crashing weddings is so not my thing. I'd much rather stay home and watch HGTV . . . and ignore the fact that my life is messier than those fixer-upper houses. Because my jerk ex left, and the only thing keeping a roof over my sons' heads is my crappy telemarketing job. But then I get a challenge from the Bad Luck Club, the group I joined to turn my luck around: Do something that breaks

the rules. One ill-advised confession to my best friend later, I'm strapping on a pair of heels and crashing the wedding of two of the owners of Buchanan Brewery. The last thing I expect is to meet someone, let alone the sexy younger bartender who calls me out and finds my lost shoes, something straight out of Cinderella. And the very last thing I expect is to fall for him. It feels like I'm in a dream come true, a fairy tale, but the crap part about dreams is that they have to end. Or do they?

me. Together. The three of us. I was meant to be theirs: Joseph, my sweet first love, and Marco, his sternly intimidating best friend. I know they're dangerous men, but being with them doesn't feel wrong. When they hold me in their arms, I feel safe, cherished. I'm still their captive, but I'm no longer certain if I want to be free of them. They swear they only kidnapped me for my own protection, and after a terrifying attack by one of their enemies, I'm starting to believe them. If I give myself to them, can my alluring criminal captors protect me? Or is their world too dangerous for even their strong arms to shield me from harm?
