Rodney (Darrell) Peppé (born 24 June 1934 in Eastbourne, England) is a British author and illustrator in the children's fiction and crafts genres. He is the author and illustrator of more than 80 children's books, publishing his first children's book in 1968 The Alphabet Book with Constable Young Books.His craft books teach how to build mechanical toys and automata.

*Rodney-Peppé-Wikipedia*

Mechanical toy design integrates a range of skills from art and craftsmanship to mechanics and mathematics. The designer typi-cally begins by sketching the shapes and motions of the toy's fea-tures. He then plans a mechanical assembly to generate this mo-tion. Inevitably, the design is iterated by refining the parameters
