Britches Bespoke | A New Way to Think about Custom Clothing

A Brief History of Bespoke Tailoring. Before the advent of sewing machines in the 18th century, all clothes were cut and sewn by hand similar to the way modern-day bespoke tailors work. However, the desired fit was achieved in a way very different to our times. From the middle ages to the 18th-century, tailors created their patterns with methods that were their trade secret.
