All of these articles emphasize the centrality of the biblical text and the relative flexibility in interpretative methods in the Classical and Medieval periods: when there was doubt or confusion, interpreters changed, re-contextualized, and/or supplemented the biblical text, often quite radically. The second section, called "Biblical Interpretation, Judaism and Christianity," includes three disparate essays.

**BIBLICAL EXEGESIS: JEWISH VIEWS.** The shift from rabbinic hermeneutics to medieval exegesis is marked by discrimination between different types of interpretation. It has been suggested, though not established, that this occurred, in the Arabic-speaking world, under the impetus of Karaism which, by rejecting the authority of rabbinic tradition, forced proponents and opponents alike to consider the literal meaning of the biblical text.

tremendous importance to the Hebrew Bible, from the beginning Jewish interpretation of those scriptures has been practiced with remarkable freedom. Karin Hedner Zetterholm offers a clear and concise introduction to the legal, theological, and historical presuppositions that shaped the dominant stream of rabbinic interpretation, including Mishnah, Talmud, and Midrashim, discussing specific examples of different interpretive methods. She then explores the contours of Jewish biblical interpretation evident in the New Testament and the legacy of ancient traditions in the way different Jewish movements read the Bible today. Students of the history of biblical interpretation and of

emphasizing the Rabbinic literature, it also covers interpretation of Scripture in a number of distinct canons, ranging from the Targumic literature and Dead Sea Scrolls to the New Testament and Church Fathers. The encyclopedia comprises fifty-six essays written by thirty scholars, representing the leading figures in the study of ancient Judaism and biblical interpretation in North America, Europe, and the State of Israel. Alongside a general introduction to Rabbinic Midrash and its traits, including the theoretical questions of definition, origins, theology, hermeneutics, genre-criticism, and language, the encyclopedia addresses specific topics of concern in the

study of scriptural interpretation. How Rabbinic midrashic documents that focus on specific books of Scripture read those specific books, the theology expressed by Rabbinic midrashic compilations, and the historical context in which Rabbinic Midrash took shape all are treated. Beyond these central issues in understanding Rabbinic Midrash, the encyclopedia treats interpretations of Scripture that came to closure prior to, or outside of, the framework of Rabbinic Midrash: Hellenistic Jewish Midrash, Josephus, Pseudo-Philo, Jubilees, as well as to the New Testament, Karaite and Samaritan writings, and the Dead Sea Scrolls. The Encyclopedia of Midrash provides readers with a
