Americans have been told that to succeed, they need to work twice as hard as everyone else. But as millions of black Americans were reminded by Pinkett's experience, sometimes hard work is not enough. *Black Faces in White Places* is about "the game"—that is, the competitive world in which we all live and work. The book offers 10 revolutionary strategies for playing, mastering, and changing the game for the current generation, while undertaking a wholesale ...

BLACK FACES, WHITE SPACES In the case of race and the environment, it's not just who we imagine has something valuable to say. These assumptions, beliefs, and perceptions can be found in the very foundation of our environmental thinking, how we define the "environment" and how we think of ourselves in relationship with the environment.

Whiteface is a type of performance in which a person wears theatrical makeup in order to make themselves look like a white person, usually for comical purposes. The term is a reversal of the more common form of performance known as blackface, in which performers use makeup in order to make themselves look like a black person. Whiteface performances originated in the 19th century but have no origin in dehumanization or racism, and today still occasionally appear in

Whiteface (performance) -
Wikipedia

Black Skin, White Masks (French: Peau noire, masques blancs) is a 1952 book by Frantz Fanon, a psychiatrist and intellectual from Martinique. The book is written in the style of auto-theory, in which Fanon shares his own experiences while presenting a historical critique of the effects of racism and dehumanization, inherent in situations of colonial domination, on the human psyche.

Black political operatives have no better solutions for ordinary African Americans than any other elected officials. In Ferguson and now in Baltimore, it's the movement in the streets that is bringing global attention to the racism and inequality that still thrives in American society — not black faces in high places.

Below, take a quick history lesson of blackface in Hollywood, in all its incarnations. 1. "Birth of a Nation" (1915) A cinematic triumph, "Birth of a Nation" was also astonishingly racist. Director D.W. Griffith's saga, which ran over three hours and was shown in two parts, followed a South Carolina town during the Civil War and pitted white men in blackface against actors playing the Ku Klux Klan protecting the "Aryan" cause.
