An insider's hilarious, whirlwind account of his years spent globe-trotting in search of the holy grail of handbags: the Birkin For more than twenty years, the Hermès Birkin bag has been the iconic symbol of fashion, luxury, and wealth. Though the bag is often seen dangling from the arms of celebrities, there is a fabled waiting list of more than two years to buy one from Hermès, and the average fashionista has a better chance of climbing Mount Everest in Prada pumps than of possessing one of these coveted carryalls. Unless, of course, she happens to know Michael Tonello . . . Michael's newfound career started with an impulsive move to Barcelona, a vanished job assignment, no work visa, and an Hermès scarf sold on eBay to generate some quick cash. But soon the resourceful Michael discovered the truth about the waiting list and figured out the secret to getting Hermès to part with one of these precious bags. Millions of dollars worth of Birkins later, Michael had become one of eBay's most successful entrepreneurs—and a Robin Hood to thousands of desperate rich women. With down-to-earth wit, Michael chronicles the unusual ventures that took him to nearly every continent, from eBay to Paris auction house and into the lives of celebrities and poseurs. Flirting with danger, Michael recounts the heady rush of hand delivering his first big score to famed songwriter Carole Bayer Sager in Paris; how he had to hire thugs to rescue a bag that one of his "shoppers" held for ransom; and the story of the Oscar-worthy performances that allowed him to snag "reserved" bags from other, less dogged Birkin seekers. Whether he's relating his wining and dining, buying and selling, dodging and weaving, laughing and crying, or schmoozing and stammering, Michael is a master raconteur who weaves together tales of hunting Birkins in the world's most posh locales, memories of meals that would make any gastronome salivate, anecdotes of obsessed collectors with insatiable desires, and sweetly intimate stories about his family, friends, and finding true love. The result is a memoir that is distinctive, fun, page-turning, and as addictive as its namesake.

"Like an urban Dian Fossey, Wednesday Martin decodes the primate social behaviors of Upper East Side mothers in a brilliantly original and witty memoir about her adventures assimilating into that most secretive and elite tribe. After marrying a man from the Upper East Side and moving to the neighborhood, Wednesday Martin struggled to fit in. Drawing on her background in anthropology and primatology, she tried looking at her new world through that lens, and suddenly things fell into place. She understood the other mothers' snobbiness at school drop-off when she compared them to olive baboons. Her obsessional quest for a Hermes Birkin handbag made sense when she realized other females wielded them to establish dominance in their troop. And so she analyzed tribal migration patterns; display rituals; physical adornment, mutilation, and mating practices; extra-pair copulation; and more. Her conclusions are smart, thought-provoking, and hilariously unexpected. Every city has its Upper East Side, and in Wednesday's memoir, readers everywhere will recognize the strange cultural codes of powerful social hierarchies and the compelling desire to climb them. They will also see that Upper East Side mothers want the same things for their children that all mothers want--safety, happiness, and success--and not even sky-high penthouses and chauffeured SUVs can protect this ecologically released tribe from the universal experiences of anxiety and loss. When Wednesday's life turns upside down, she learns how deep the bonds of female friendship really are. Intelligent, funny, and heartfelt, *Primates of Park Avenue* lifts a veil on a secret, elite world within a world--the exotic, fascinating, and strangely familiar culture of privileged Manhattan motherhood"--

In J. L. Carr ' s deeply charged poetic novel, Tom Birkin, a veteran of the Great War and a broken marriage, arrives in the remote Yorkshire village of Oxbodby where he is to restore a recently discovered medieval mural in the local church. Living in the bell tower, surrounded by the resplendent countryside of high summer, and laboring each day to uncover an anonymous painter ' s depiction of the apocalypse, Birkin finds that he himself has been restored to a new, and hopeful, attachment to life. But summer ends, and with the work done, Birkin must leave. Now, long after, as he reflects on the passage of time and the power of art, he finds in his memories some consolation for all that has been lost.

This is the true story of Franz Wisner, a man who thought he had it all- a high profile career and the fiancée of his dreams- when suddenly, his life turned upside down. Just days before they were to be married, his fiancée called off the wedding. Luckily, his large support network of family and friends wouldn't let him succumb to his misery. They decided Franz should have a wedding and a honeymoon anyway- there just wouldn't be a bride at the ceremony, and Franz' travel companion would be his brother, Kurt. During the "honeymoon," Franz reconnected with his brother and began to look at his life with newfound perspective. The brothers decided to leave their old lives behind them. They quit their jobs, sold all their possessions, and traveled around the world, visiting fifty-three countries for the next two years. In *Honeymoon With My Brother*, Franz recounts this remarkable journey, during which he turned his heartbreak into an opportunity to learn about himself, the world, and the brother he hardly knew.

" —*New York Times* From the author of *Fashionopolis: The Price of Fast Fashion and the Future of Clothes* Once luxury was available only to the rarefied and aristocratic world of old money and royalty. Award-winning journalist Dana Thomas digs deep into the dark side of the luxury industry to uncover all the secrets that Prada, Gucci, and Burberry don't want us to know. *Deluxe* is an uncompromising look behind the glossy façade that will enthrall anyone interested in fashion, finance, or culture.
