the military, corporate, and political elements of society and suggests that the ordinary citizen is a relatively powerless subject of manipulation by those entities.

~~The Power Elite - Wikipedia~~

In his writings, C. Wright Mills suggested that people feel a kind of entrapment in their daily lives. He explains that since they must look at their life in a narrow scope or context – one's role as a father, employee, neighbor, etc. – one catches glimpses of various "scenes" which they are a part of.

Sociologist C. Wright Mills,
who created the concept and
wrote the definitive book
about it, defined the
sociological imagination as
"the vivid awareness of the
relationship between
experience and the wider
society." The sociological
imagination is the ability
to see things socially and
how they interact and
influence each other.

With renowned international contributors and expert contributions from a range of specialisms, this book will appeal to academics, students and researchers of sociology.

C. Wright Mills (1916-1962) transformed the independent American Left in the 1940s and 1950s. Often challenging the established ideologies and approaches of fellow leftist thinkers, Mills was central to creating and developing the idea of the "public intellectual" in postwar America and laid the political foundations for the rise of the New Left in

the 1960s. This book reconstructs this icon's formation and the new dimension of American political life that followed his work.

A fascinating and controversial study of the organization of our society, this well-known volume depicts the style and substance of the men and women at the pinnacles of fame, power, and fortune in mid-1900s America. Alan Wolfe's astute afterword to this new edition shows how Mills was a pioneer in helping readers think about the society they have and the society they might want.
