Porsche CDR-24 987 Boxster / 997 Cayman Radio Code Locked ...

CDR24 - seems to have become possessed. The display has gone blank and the station buttons have stopped working. The on/off button sometimes works and the volume sometimes works. I can change radio station by turning the right button.... sometimes. On a whim I put in a CD which worked except I could not see the track. Then the eject button didn't work.
