This Chemistry Workbook for CSEC is a valuable activity book for CSEC Chemistry students. It covers all aspects of the Caribbean Examinations Council's Certificate of Secondary Education Chemistry syllabus. This book provides excellent practice for the structured question from Paper 2 of the CSEC Examination and is a great aid to revision and examination practice. It has been specially written to help CSEC students maximize their exam scores.

Chemistry for CSEC is written by experienced science teachers and authors for students studying for the CSEC general proficiency exam. It is written to double page spreads and illustrated with full colour diagrams and photographs. The book contains practical activities, key facts and case studies to stimulate interest and aid learning, SBA skills chart and references to SBA in the main-body text along with CSEC style questions.

Comprehensively explore topics and help students visualise and appreciate chemistry within the Caribbean context as they prepare for the CSEC® Examination. - Engage students with full colour design, colour photographs, clear diagrams and illustrations. - Reinforce and consolidate learning with end of chapter questions and practice exam questions. - Show relevance of Chemistry to everyday life with Caribbean and international examples. - Support SBA portion of the syllabus and offer new detailed content on metals and non-metals in the environment. - Extend learning with extra online resources for students and teachers.

Recommended by the Ministry of Education, Jamaica This very successful text has been completely revised by its authors, two of the region's leading chemistry teachers, to suit the new revised syllabus for CXC Chemistry (General Proficiency). It offe
