"Winter Dreams" is a short story by F. Scott Fitzgerald that first appeared in Metropolitan Magazine in December 1922, and was collected in All the Sad Young Men in 1926. It is considered one of Fitzgerald's finest stories and is frequently anthologized. In the Fitzgerald canon, it is considered to be in the "Gatsby-cluster," as many of its themes were later expanded upon in his famous novel The Great Gatsby in 1925.

The son of the owner of the second-best grocery store in a small Minnesota town, finds himself enacting a series of impetuous deeds inspired by his so-called ' winter dreams ' , which drive him to desire material success. But can they drive him to the woman of his dreams?

F. Scott Fitzgerald is best known for his novels such as THE GREAT GATSBY, but during his all-too-brief literary life, he sold some 160 short stories to popular magazines. Here, noted scholar and biographer Matthew Bruccoli assembles in one volume the full scope of the best of Fitzgerald's short fiction. These 43 sparkling masterpieces are offered in a handsome Scribner Classics edition, perfect for the home library.

The #1 bestselling author of The Christmas Box and master of the holiday novel reimagines the biblical story of Joseph and the coat of many colors, presenting an inspiring modern story of family and forgiveness. Joseph Jacobson is the twelfth of thirteen siblings, all of whom are employed by their father ' s successful Colorado advertising company. But underneath the success runs a poisonous undercurrent of jealousy; Joseph is his father ' s favorite and the focus of his brothers ' envy and hatred. When the father seems ready to anoint Joseph as his heir, the brothers make their move, forcing Joseph from the company and his Denver home, severing his ties to his parents and ending his relationship with his soon-to-be fiancé é. Alone and lonely, Joseph must start a new life. Joseph joins a Chicago advertising agency where his creativity helps him advance high up in the company. He also finds hope for a lasting love with April, a kind woman with a secret. However, all secrets hold consequences, and when Joseph learns the truth about April ' s past, his world is again turned upside down. Finally, Joseph must confront his own difficult past in order to make his dreams for the future come true.

Build Grade 6 students' comprehension and critical thinking skills and prepare them for standardized tests with high-interest nonfiction articles from TIME For Kids®. This handy and easy-to-implement resource includes accompanying document-based questions that focus on key strategies for breaking down the passages to help students build cross-curricular reading skills. A document-based assessment sheet is also provided for each passage so students can investigate a topic in even deeper and more meaningful ways. This 112- page book includes a Teacher Resource CD with reproducible pages of artic.

Sixth graders read a high-interest nonfiction article, strengthen comprehension skills by responding to follow-up questions, study a primary source document, and demonstrate critical-thinking skills through document-based questions.

The Baby Party (+Biography and Bibliography) (6X9po Glossy Cover Finish): When John Andros felt old he found solace in the thought of life continuing through his child. The dark trumpets of oblivion were less loud at the patter of his child's feet or at the sound of his child's voice babbling mad non sequiturs to him over the telephone. The latter incident occurred every afternoon at three when his wife called the office from the country, and he came to look forward to it as one of the vivid minutes of his day.He was not physically old, but his life had been a series of struggles up a series of rugged hills, and here at thirty-eight having won his battles against ill-health and poverty he cherished less than the usual number of illusions. Even his feeling about his little girl was qualified. She had interrupted his rather intense love-affair with his wife, and she was the reason for their living in a suburban town, where they paid for country air with endless servant troubles and the weary merry-goround of the commuting train.It was little Ede as a definite piece of youth that chiefly interested him. He liked to take her on his lap and examine minutely her fragrant, downy scalp and her eyes with their irises of morning blue. Having paid this homage John was content that the nurse should take her away. After ten minutes the very vitality of the child irritated him; he was inclined to lose his temper when things were broken, and one Sunday afternoon when she had disrupted a bridge game by permanently hiding up the ace of spades, he had made a scene that had reduced his wife to tears
