A lively account of the authors' haphazard cross-country effort to correct spelling and punctuation errors displayed on public signs relates how they discovered underlying truths about America's educational history and racial heritage.

Since the implosion at The Oasis and Derek's stay at Hawk Headquarters, The Shade has fallen into a state of utter chaos. To make matters worse, the citizens of Derek's kingdom have become suspicious of his loyalties and accuse him of siding with the enemy. At a time when Derek desperately needs full cooperation from his

subjects, they wish to put their own King on trial. Meanwhile, Sofia is being held hostage by the hunters. The only fuel that keeps her going is the thought of reuniting with Derek--something Reuben is fighting with every fiber of his being. Suddenly, Reuben seems to have a change of heart and offers Sofia a solution that would secure her and Derek's future together. But can she really trust this man who is so renowned for his hatred of vampires?

Once a righteous missionary man, Jonah Walker now endures immortality with

nothing but a body built for battle and a heart set on retribution. But his last devastating fight left him wounded beyond healing—and his only chance for redemption lies with a fallen woman whose passion burns through the shadows...

This volume presents a broad range of writings on modern Chinese literature. Of the fifty-five essays included, forty-seven are translated here for the first time, including two essays by Lu Xun. In addition, the editor has provided an extensive general introduction and shorter introductions to the five parts of the book,

historical background, a synthesis of current scholarship on modern views of Chinese literature, and an original thesis on the complex formation of Chinese literary modernity. The collection reflects both the mainstream Marxist interpretation of the literary values of modern China and the marginalized views proscribed, at one time or another, by the leftist canon. It offers a full spectrum of modern Chinese perceptions of fundamental literary issues.

SEXY BEDROOM GAMES . . .

Even after nearly twenty years of marriage, Jillian

Noble is still madly in love with her sexy-as-sin husband, Dean. But now that their two sons are grown and it's just the two of them alone again, there's something that Jillian wants from her husband. Something he's been holding back since the day they met—the dominant man he rarely lets show. Now she wants it all, and when Dean agrees to unleash his more assertive side, all bets are off as he introduces her to dark, forbidden desires that will change the course of their marriage. "A highly recommended, character-driven sci-fi novel in the tradition of Robert A. Heinlein." -Kirkus Reviews "A fun story of survival and endurance that hits some metaphysical high notes and exudes a special feeling of "cool", Exigency is highly recommended to any big-hearted and sharp-minded reader in search of a sturdy sci-fi page-turner." -Red City Review
Nine brilliant scientists travel light years on a one-way trip to an Earth-like planet. Their mission is to study from orbit the two species of

intelligent lifeforms on the surface. The first: an isolated people embarking on civilization and building their world's first city. The second: a brutal race of massive predators, spread thick and still growing across the dominant landmass--destined to breed and eat their way to extinction within a few centuries. After eight years of observation, disaster strikes the orbiting station and only two crewmembers eject successfully. Drifting down through a dark alien sky, the pair realizes their escape pod launched not toward the safety of the city, but to the other side

arms—an open invitation to question all the values, beliefs, and worldviews that humanity has so far held as sacred in order to find the answers we need to the very practical problems facing us. Writer, philosopher, and professor of comparative religion, Daniele Bolelli, leads the reader through three thousand years of mythology, misogyny, misinformation, and the flat-out lies about “revealed truth” that continue to muddle our ability to live a peaceful life, free of guilt and shame and the ultimate fear of death. “Our worldviews are in desperate need of some housecleaning,”

says Bolelli. “We enter the 21st century still carrying on our backs the prejudices and ways of thinking of countless past generations. What worked for them may or may not still be of use, so it is our job to make sure to save the tools that can help us and let go of the dead weight.” “With a cheerful, good-natured smile, Daniele Bolelli torpedoes the often luxurious but spiritually leaky battleships that sail under the various flags of the world’s organized religions.”—Tom Robbins, New York Times bestselling author “Daniele Bolelli is in the house. quarterback with a dangerous edge. But behind his devil-may-care grin, Ty Calhoun hides a desire that only one woman can ever fulfill—and a memory he can't shake: high school graduation night, and mind-blowing sex with the untouchable girl of his dreams. He'd trade every trophy to feel the heat of her sensual, uninhibited passion once more. And he may get that chance—because she's just been hired by the San Francisco Outlaws' new owner to make over Ty's reputation. The country's top image consultant, Julie Spencer is a total pro at cleaning up the messes of the rich and famous. Even

working with the man who took her virginity and broke her heart ten years ago can't rattle her. Until he touches her again. One hot kiss is all it takes to spark the same knee-quaking electricity, and soon they're mixing business and extreme pleasure. Knowing the danger Ty poses to her heart, though, Julie's determined to keep her distance. But Ty has a game plan of his own. The more he misbehaves, the more Julie will have to keep tabs on him—and the more he can show his dream girl just how fun it is to be bad. This time around, he's game for anything...especially winning
