David Mazzucchelli's Daredevil Born Again: Artist's Edition Before he wrote the legendary, "The Dark Knight Returns," he was writing (and revolutionizing) Daredevil. His run on the character is probably the most famous, as well as probably the most important. Daredevil: Born Again is the best Daredevil and without it, the character would not be what he is today, and there would be no Daredevil TV show.

Matt Murdock's personal life and career spiral out of control after the Kingpin learns his secret identity as Daredevil from a drug-addicted ex-lover and uses the information to destroy him.
