Dr. Jang's SAT 800
Chemistry Subject
Test: Jang, Simon ...
This is the only book I
studied from for the
SAT chemistry, and I
did all of the practice
tests. On the practice
tests, I scored in the
high 600s and 700s,

Read Book Dr Jangs Sat 800

and I got an 800 on my first try of the actual test (May, 2016). I owe it to Dr. Jang. The questions were very similarly structured on the real test as they are in the book.
