In fact the eighteenth  
century chapter, to me,  
was by far the most  
interesting all round, for

# Get Free Englishmans

this was when the earliest  
advances seemed to be  
made on energy  
requirements from food -  
that all food wasn't  
created equal, and that  
one had to have a certain  
amount of it to survive -  
the experiments are  
incredible - as is the level  
of food adulteration  
mentioned.
