Lincoln Grey is the biggest jerk she’s ever met ... but not falling in love with him might prove impossible. When angels fell from the sky to war with the demons that ravaged Earth, their combined powers infected humanity. After wings sprout from Brielle’s back at her awakening ceremony, she’s sure she’s an angel blessed celestial. It’s not until she sees black wings that she realizes something is terribly wrong. Having sold her contract at a young age to save her father’s life means she should be bound for Tainted Academy. That is, until a fallen angel unexpectedly fights for her to be accepted into Fallen Academy, the elite school for those that inhabit Angel City. She’s immediately matched with her impossibly handsome celestial teacher, Lincoln Grey. To further prove her admission into Fallen Academy is cursed, the entire school is thrown into chaos when an Abrus demon reveals that he knows Brielle’s secret. Now, above all else, Lincoln must fight to protect her. To his surprise, the only thing more difficult than trying to save her ... is trying not to fall for her.

Family is everything to Brielle, so when she learns about an opportunity to free her mother from Demon City, she takes it. No matter how dangerous, Brielle will do anything to unite her family in Angel City. All is going according to plan, until her brother’s awakening ceremony. What he is... it shocks everyone, and he’s sent away until he can get his powers under control. Then Brielle loses someone precious to her and goes to great lengths to get them back, lengths Lincoln doesn’t agree with. He thinks Brielle is too much of a risk taker, too wild, and all he can do is try his best to protect her. But with untold powers rising inside of her, Brielle might go to a place that no one can bring her back from. Not even Lincoln. Brielle needs to learn to fight the darkness that threatens to take her over, because little by little, she’s losing her light.
