I love Julie Garwood's book, Fast Track. But then, I love all her books and have several in hardcover and paperback. The characters in this book were believable with the right amount of suspense and romance. The continuation of characters from one books to the next is a plus too.

In the still shadows of the confessional, the penitent kneels and makes a bone-chilling disclosure: 'Bless me, Father, for I will sin.' Slowly, tauntingly, the man describes his murderous past - how he stalked his victim, worked his way into her life, and then took that life in a violent rage - and his plan to kill again. Only this time, he has raised the stakes in his twisted game, daring authorities to catch him if they can. This time, he has revealed the name of his next intended victim. 'I'm a heartbreaker. And I do so love a challenge.' Agent Nick Buchanan has come face-to-face with society's worst monsters and depraved minds in his work for one of the FBI's most elite units. He's about to take a much-needed vacation from his high-stress job, when he's called on to stop the killer who has mockingly confessed to the deadly crime he's going to commit. Nick can't refuse - for this time the threat has hit close to home. The intended victim is his best friend's sister. Soon he is caught up in an intricate chase with one of the most devious psychopaths of his career - in a case that suddenly, unexpectedly, pulls him in like no other.

An FBI agent and a lawyer are falling in love—and making a federal case out of it in #1 New York Times bestselling author Julie Garwood's hot romantic thriller. When Special Agent Grayson Kincaid first encounters Olivia MacKenzie, she makes quite an impression. The beautiful, tough young attorney has stumbled into the middle of an FBI sting operation and reduced it to chaos. Olivia has ticked off the wrong guy. He's FBI. But Olivia is even more intimidating. She's IRS. Olivia is on the trail of an elaborate Ponzi scheme for her own very personal reasons, and her investigation has enraged some ruthless people and endangered her life. She's no stranger to tight situations, but she's smart enough to know when to call for help, especially if that help is tall, dark, and handsome. Together, Grayson and Olivia make a great team to fight corruption, but they're also fighting an intense attraction—the one battle they're bound to lose.

Michael Buchanan will need every bit of his extensive skill set when he appoints himself as bodyguard to a woman determined not to need one in this thrilling new novel from #1 New York Times bestselling author Julie Garwood. Grace Isabel MacKenna has a hundred things to do today. Killing someone isn't one of them. It is supposed to be a quick visit to Boston for the Buchanan anniversary party, then on to Scotland to collect an inheritance. She checks into her hotel and then decides to go for a brisk walk. But after getting lost, she ends up with a wounded

man stumbling into her arms—and his shooter coming after them both. When she fires back in self-defense, she doesn't expect him to drop dead. After Isabel endures an interrogation by police, she is free to go, thanks to the Buchanans dispatching former Navy SEAL and now lawyer Michael Buchanan to assist her. Isabel knows she should be grateful for Michael's help, but since she's harbored an extreme dislike for him for years, gratitude is difficult to muster. Michael has appointed himself her de facto guardian, and she's stuck with him despite their constant bickering and sizzling attraction. Even when Isabel goes to Scotland to claim her inheritance, Michael follows her—but he isn't the only thing she can't shake. Mysterious threats against Isabel surface, and before they can deal with their growing feelings for each other, Michael and Isabel must first survive.

A woman's life and love are compromised in this pulse-pounding thriller from #1 New York Times bestselling author Julie Garwood. Dr. Ellie Sullivan has witnessed the shooting of an FBI agent in pursuit of a ruthless modern-day Bonnie and Clyde. The only person to see the shooter's face, Ellie is suddenly thrust into the center of a criminal investigation spearheaded by the no-nonsense, by-the-book, and tantalizingly handsome agent Max Daniels. When the couple is captured, she'll be called to testify. But the Landrys have been caught before, and each time the witnesses are scared into silence—or they disappear. Now Max vows to be Ellie's shadow, promising never to leave her side until the trial. But that could be dangerous for both of them, and it isn't long before the sparks—and the bullets—fly.

When a woman's dream for the future turns into a nightmare, a handsome FBI agent makes her vulnerable to more than she ever imagined in this novel from #1 New York Times bestselling author Julie Garwood. Peyton Lockhart and her sisters have just inherited Bishop's Cove, a charming oceanfront resort. But it comes with a condition: They must run the resort for one year and show a profit—only then will they own it. Peyton welcomes the challenge, yet has no idea how many people want to sabotage her success—including her vindictive cousins and the powerful land developers who have an eye on the coveted beachfront property. But when the threats against Peyton escalate into dangerous territory, she enlists the help of her childhood friend, FBI agent Finn MacBain. Finn saved her life once before. Peyton has no choice but to trust him to do it again.

There are few authors who can weave nail-biting thrills, edge-of-your-seat drama, and romantic suspense as masterfully as Julie Garwood. Now she ratchets up the tension with *Murder List*, in which evil is on the hunt—and proves to be methodically organized and chillingly successful. When Chicago detective Alec Buchanan is offered a prime position with the FBI, it is the perfect opportunity to leave the Windy City and follow in his brothers' footsteps to the top echelons of law enforcement. But first he must complete one last assignment (and one that he is not too happy about): acting as a glorified bodyguard to hotel heiress Regan Hamilton Madison. The gorgeous exec has become entangled in some potentially deadly business. Someone has e-mailed her a graphic crime-scene photo—and the victim is no stranger. Regan suspects that the trouble started when she agreed to help a journalist friend expose a shady self-help guru who preys on lonely, vulnerable women. In fact, the smooth-as-an-oil-slick Dr. Lawrence Shields may be responsible for the death of one of his devotees, which was ruled a suicide. Hoping to find some damning evidence, Regan attends a Shields seminar. At the gathering, the doctor persuades his guests to partake in an innocent little "cleansing" exercise. He asks them to make a list of the people who have hurt or deceived them over the years, posing the question: Would your world be a better place if these people ceased to exist? Treating the exercise as a game, Regan plays along. After ten minutes, Shields instructs the participants to bring their sheets of paper to the fireplace and throw them into the flames. But Regan misses this part of the program when she exits the room to take a call—and barely escapes a menacing individual in the parking lot. The experience is all but forgotten—until the first person on Regan's list turns up dead. Shock turns to horror when other bodies from the list start to surface, as a harrowing tango of desire and death is set into motion. Now brutal murders seem to stalk her every move—and a growing attraction to Alec may compromise her safety, while stirring up tender emotions she thought she could no longer feel. Yet as the danger intensifies and a serial killer circles ever closer, Regan must discover who has turned her private revenge fantasies into grisly reality.

A beautiful computer hacker and a bad-boy FBI agent must collaborate—in more ways than one—in this sexy, suspenseful novel from #1 New York Times bestselling author Julie Garwood. Allison Trent doesn't look like a hacker. In fact, when she's not in college working on her degree, she models on the side. But behind her gorgeous face is a brilliant mind for computers and her real love is writing—and hacking—code. Her dream is to write a new security program that could revolutionize the tech industry. Hotshot FBI agent Liam Scott has a problem: a leak deep within his own department. He needs the skills of a top-notch hacker to work on a highly sensitive project: to secretly break into the FBI servers and find out who the traitor is. But he can't use one of his own. He finds the perfect candidate in Allison. Only, there's one problem—she wants nothing to do with his job and turns him down flat. What Liam doesn't know is that Allison is hiding secrets that she doesn't want the FBI to uncover. But Liam will do nearly anything to persuade her to join his team, even break a few rules if that's what it takes. A temptation that could put his job—and both of their futures—on the line...
