~~Change Your Life with NLP is a powerful tool you can use to change your life, immediately. Lindsey Agness, one of the foremost experts in neuro-linguistic programming (NLP), has written a book that puts you on the right track from page one. Her easy-to-understand advice has changed countless lives, and the proven NLP techniques laid out in her book will help you make the changes you need to better your own life. NLP can be applied to many aspects of your life. Change Your Life with NLP will help you: - Be happier - Get rid of anxiety - Find out what's important to you - Eliminate bad habits - Land the perfect job - Lose weight - Improve your relationships Once you master the tools and skills available to you, you'll quickly discover how to apply NLP to every aspect of your life. This revised edition of Change Your Life with NLP includes new chapters written by the author, bringing the book fully up-to-date.~~

~~Do you struggle to lose weight and wonder why? Do your bad habits and lack of confidence hold you back? Do you find yourself repeating bad patterns of behavior? Fix Your Lifewill show you how easy it can be to rid yourself of life's irritating problems by using the latest psychological techniques of NLP. This is an ideal introduction to the subject, as the author Alicia Eaton cuts through the technical jargon that's usually associated with NLP and explains how the techniques and strategies used by some of the world's most successful people, can easily be incorporated into your daily life. As well as explaining how our minds work and why it's so easy to fall into bad patterns of behavior, the author presents the NLP techniques as 'Apps for the Mind'. So, just as you'd download an App for your phone or computer to expand its' capabilities, you'll now be able to download an 'App for your Mind' to enable you to achieve more than ever before. Client stories from the author's Harley Street practice demonstrate how to fix fears and phobias such as public-speaking or fear of flying; deal with bad habits such as shopping addiction or Facebook obsessions and even apply your very own hypnotic gastric band to combat overeating. Readers are encouraged to view this book as a 'first aid kit for the mind' that can support them, plus friends and family, for many years.~~

~~An introduction to one of the most powerful psychological techniques available today and how you can use it to make positive changes in your life. In this book, leading life coach, therapist, presenter and bestselling author Ali Campbell explains how all our behaviour is a product of our state of mind. He presents techniques for making small changes on the inside that will make huge differences on the outside, because when you change your mind, you can change your life. Learn how to: - Change your emotional state quickly and easily - Overcome fears, phobias and frustrations - Transform even lifelong habits quickly - Communicate easily and effectively - Heal emotional pain from your past - Reset your internal programming to change your future This book was previously published under the title NLP (Hay House Basics series).~~

~~Do you find yourself making the same mistakes or poor choices again and again? Do you feel that you could make more of your life and be more happy and fulfilled? In Take Charge of Your Life with NLP, master NLP practitioner Felix Economakis reveals how our subconscious minds control a startling amount of our behaviour - making us repeat unhealthy patterns, dwell on unnecessary worries and make the same bad choices again and again. This can cause a huge amount of mental conflict and unhappiness, as well as hold you back in life. This book provides simple and easy NLP techniques for breaking these negative behaviours by creating a better working relationship with your unconscious mind. You'll discover how to banish phobias and addictions, improve your self-esteem and motivation, feel happier and more fulfilled, and take charge of your life for good.~~

~~Bandler covers a lot of ground in this book - in his unique style - and provides real insight into areas such as sub-modalities and multiple perspectives in a fairly short period (157 pages). The content is edited notes from a series of Bandler workshops (in a similar vein to Frogs into Princes and Trance-Formations). The book begins with an overview of NLP - making particular reference to the "new" submodality patterns (the book was written in 1985) and presenting these as a faster and more powerful way of creating personal change. Subsequent chapters provide a humorous exploration of many of the traditional approaches to personal change and outline many useful guiding principles (structure versus content etc) for the application of NLP to personal change. The author makes repeated reference to a number of epistemological issues underlying traditional psychological approaches that tend to focus on "what's wrong, when you broke, ... what broke you, ... and why you broke." He goes on to state that "psychologists have never been interested in how you broke, or how you continue to maintain the state of being broken." NLP on the other hand, Bandler asserts, assumes people work perfectly and that people are just doing something different from what we (or they) want to have happen. This provides a clear indication of the approach adopted in the remainder of the book, and suggests that the focus of NLP on subjective experience (as the study of subjective experience) is entirely valid and necessary. Bandler provides a convincing argument for tailoring all our change work to the individual - purely because each individual is unique. The book continues with a useful and insightful exploration of a number of techniques (including the fast phobia cure, contrastive analysis in belief change, integrated anchors and Swish,) as well as discussion of more general (and generative) strategies for learning and motivation.~~

~~The market is full of 'diet' books that promise to make you thin with the latest breakthrough plan but none of them work in the long term. Lack of willpower, boredom and cravings can sabotage our ability to stick to a diet plan, get thin and stay that way. Lose Weight with NLP focuses instead on changing your relationship with food and giving you back control so you can lose weight and keep it off. Lose Weight with NLP is not a diet plan, not an exercise plan, is simple to follow and achieves results. Whether you are looking to drop a dress size or going for a more dramatic change, you can use the power of NLP to shift that weight. Lindsey Agness helps you develop a healthy mindset, good eating habits and a strong motivation for exercise - the result is a healthier body and sustained, lasting weight loss.~~

~~By the team behind the bestselling NLP: The New Technology of Achievement comes an essential new guide to NLP techniques—for self-development and influencing others—in a focused, step-by-step handbook. NLP (Neuro-Linguistic Programming) has already helped millions of people overcome fears, increase confidence, enrich relationships, and achieve greater success. Now, from the company and training team behind NLP: The New Technology of Achievement, one of the bestselling NLP books of all time, comes NLP: The Essential Guide to Neuro-Linguistic Programming \. Written by three NLP Master Practitioners and training coaches, including the president of NLP Comprehensive, with an introduction from the President of NLP Comprehensive, NLP: The Essential Guide to Neuro-Linguistic Programming leads users to peak performance in business and life, and gets specific results. In twelve illuminating sections, NLP: The Essential Guide to Neuro-Linguistic Programming leads you through dozens of "discoveries"—revelations of NLP practice that enable you to explore your own personal thinking patterns, to manage them—and to transform them. Divided into two categories, "All About You" and "All About the Other Guy," these strategies offer a personal and interpersonal program that frees you to become better at managing your feelings instead of being dominated by them, managing your motivations, being less judgmental, more productive, more confident, more flexible, more persuasive, liked, and respected. Chapters on "Personal Remodeling" (Discovery 9: No inner enemy) and "Secrets of Making Your Point" (Discovery 31: Convey understanding and safety without talking), enhance creativity, collaboration, cooperation, and communication. Through "mind reading" techniques—non-verbal communication, and "hearing what's missing"—learn the secrets of relating with others, understanding how they are thinking—and influencing them. A streamlined all-purpose guide for both newcomers and NLP veterans, NLP: The Essential Guide to Neuro-Linguistic Programming is the new all-in-one, eye-opening blueprint for your own ultimate success.~~
