First Published in 2001. Routledge is an imprint of Taylor & Francis, an informa company.

Trehan Daciano, known as the Prince of Shadows, has spent his life serving his people, striking in the night, quietly executing any threat to their realm. The coldly disciplined swordsman has never desired anything for himself -- until he beholds Bettina, the sheltered ward of two of the Lore's most fearsome villains. Desperate to earn her guardians' approval after a life-shattering mistake, young Bettina has no choice but to marry whichever suitor prevails -- even though she's lost her heart to another. Yet one lethal competitor, a mysterious cloaked swordsman, invades her dreams, tempting her with forbidden pleasure. Even if Trehan can survive the punishing contests to claim her as his wife, the true battle for Bettina's heart is yet to come. And unleashing a millennium's worth of savage need will either frighten his Bride away -- or stoke Bettina's own desires to a fever pitch...

This is the first in-depth study of the Malay martial art, silat, and the first ethnographic account of the Haqqani Islamic Sufi Order. Drawing on 12 years of research and practice, the author provides a major contribution to the study of Malay culture.

Is it possible to love a person so much that you refuse to remain together with him or her--because you know that your union is destined to bring unhappiness? Is this choice selfless or selfish? That's the philosophical question at the heart of this rather dark romance from Anne Douglas Sedgwick. Despite sharing a passionate affinity that has persisted for decades, a couple's chance at lasting togetherness is dashed because one partner is fearful that he is not worthy of the love he has been given.

A lyrical account of the author's long-time love affair with wolves offers thoughtful insights into the role of the wilderness in the American cultural consciousness and describes the long and difficult efforts to restore wild wolves to Yellowstone National Park. Reprint. 10,000 first printing.

Set in an alternate Europe where bloody conflicts rage, the first book of the Crown of Stars epic fantasy series chronicles a world-shaking conflict for the survival of humanity It begins with civil war.... For though King Henry still holds the crown of Wendar, his reign has long been contested by his sister Sabella. There are many eager to flock to her banner, and there are ways to make even the most unwilling lord into a weapon pointed at the heart of Henry’s realm. Torn by internal strife, Wendar also faces deadly raids from the north by an inhuman race, the Eika. And now terrifying portents are being seen; old ruins restored to life under the light of the full moon and peopled by the long-vanished Lost Ones; dark spirits walking the land in broad daylight. And suddenly two innocents are about to be thrust into the middle of the conflict. Liath, who has spent her early years fleeing from unknown enemies, is a young woman with the power to change the course of history if she can only learn to master her fear and seize what is rightfully hers. While Alain, a young man who may find his future in a vision granted by the Lady of Battles, must first unravel the mystery of who he is—whether the bastard son of a noble father, the half-breed child of an elfin lord, the unwanted get of a whore, or the heir to a proud and ancient lineage. For only when he discovers the truth can he accept the destiny for which he was born. Liath and Alain, each trapped in a personal struggle for survival, both helplessly being drawn into a far greater battle, a war in which sorcery not swords will determine the final outcome, and the land itself may be irrevocably reshaped by the forces unleashed....

The Book of Shadows is your all-in-one journal resource for learning the basics of witchcraft, performing over 40 spells and rituals, documenting your spellwork, and then reflecting on your inner witch with creative prompts to transform your life.

Erevis Cale The loyal servant of the Uskevren family, has a terrible secret. Now, when a ruthless evil is unleashed on Selgaunt, the butler's ties to the underworld may have put the Uskevren in jeopardy. Erevist must finally prove his loyalty -- to the city and to the Uskevren. He won't get a second chance.

The Outstretched Shadow, the first book in The Obsidian Trilogy from Mercedes Lackey and James Mallory Kellen Tavadon, son of the Arch-Mage Lycaelon, thought he knew the way the world worked. His father, leading the wise and benevolent Council of Mages, protected and guided the citizens of the Golden City of the Bells. Young Mages in training--all men, for women were unfit to practice magic--memorized the intricate details of High Magic and aspired to seats on the council. Then he found the forbidden Books of Wild Magic--or did they find him? The three slim volumes woke Kellen to the wide world outside the City's isolating walls. Their Magic was not dead, strangled by rules and regulations. It felt like a living thing, guided by the hearts and minds of those who practiced it and benefited from it. Questioning everything he has known, Kellen discovers too many of the City's dark secrets. Banished, with the Outlaw Hunt on his heels, Kellen invokes Wild Magic--and finds himself running for his life with a unicorn at his side. Kellen's life changes almost faster than he can understand or accept. Rescued by a unicorn, healed by a female Wild Mage who knows more about Kellen than anyone outside the City should, meeting Elven royalty and Elven warriors, and plunged into a world where the magical beings he has learned about as abstract concepts are flesh and blood creatures-Kellen both revels in and fears his new freedom. Especially once he learns about Demons. He'd always thought they were another abstract concept-a stand-in for ultimate evil. But if centaurs and dryads are real, then Demons surely are as well. And the one thing all the Mages of the City agreed on was that practicing Wild Magic corrupted a Mage. Turned him into a Demon. Would that be Kellen's fate? Deep in Obsidian Mountain, the Demons are waiting. Since their defeat in the last great War, they've been biding their time, sowing the seeds of distrust and discontent between their human and Elven enemies. Very soon now, when the Demons rise to make war, there will be no alliance between High and Wild Magic to stand against them. And all the world will belong to the Endarkened. There are certain unusual mental states that have such an extraordinary intensity, that they are numinous; they involve the presence of an archetype. These states can be beautiful or utterly terrifying, they can predispose to illness but if carefully negotiated they carry enormous potential for accelerated development. This book is about these high intensity mental states as found in the psychiatric emergency room, in everyday life, in psychotherapy and in spiritual practice. How can we understand this archetypal layer of psyche and how can we work with its power to promote psycho-spiritual growth? The author weaves the archetypal perspective into the psychoanalytic and medical models of mind to show us how the different layers of the individual and collective psyche intertwine to give us our rich experience of being human. Using everyday language and using case studies from clinical work in psychiatry and psychotherapy, the author takes the reader on a journey from: * Breakdown to breakthrough * Plato's cave to Jung's archetypal crisis * Genetics to transpersonal psychology * Hearing voices to post traumatic stress disorder * Psychoanalysis to psychedelics * The mid life crisis to the encounter with death * Quantum physics to synchronicity * Shakespeare to shamanism * Transcendent nature to mindfulness
