We have been working with Wanted 5 Games since 2017 and they did a great job in porting Adventure Capitalist to HTML5. We launched this version on Facebook Instant Games end of 2017, to be named best game of the year by Facebook beginning of 2018. Because they have a thorough understanding of the technology and platform all the 'hard work' is done on their end while still making sure that we ...

Search Tips. Phrase Searching You can use double quotes to search for a series of words in a particular order. For example, "World war II" (with quotes) will give more precise results than World war II (without quotes). Wildcard Searching If you want to search for multiple variations of a word, you can substitute a special symbol (called a "wildcard") for one or more letters.
