There are several reasons people crave chocolate. Statistically, women tend to desire chocolate much more than men, but men tend to favor cravings for foods like red meat (B12, protein) and beer (b-vitamins and yeasts). While the craving may not come from a chocolate deficiency, per se, there are several components in chocolate that the body may become deficient in, especially magnesium and antioxidants. Chocolate can also affect the brain, leading to an increase in neurotransmitters and ...

What Does It Mean When You're Craving Chocolate?
People in general crave chocolate because it tastes good, it smells good, and it feels awesome when it melts in our mouths. The experience of eating chocolate is what makes you happy. Eating chocolate actually releases dopamine, a feel-good neurotransmitter, into particular regions of the brain: the frontal lobe, hippocampus and hypothalamus.

Eat Chocolate, Lose Weight is a game-changing look at the world's most surprising (and luscious) health food: chocolate. Based on new groundbreaking research and the amazing results of his clients, who have lost more than 100 pounds, nutritionist and neuroscientist Dr. Will Clower dispels the myth that chocolate is just a "junk food" by revealing how this succulent food contains healthy antioxidants that can actually help you lose weight. All you have to do is take the Chocolate Challenge: an 8-week plan that reveals which type of chocolate is the healthiest and exactly how you should be eating it to maximize all of its surprising health benefits, including: - Weight loss of up to 20 pounds in 8 weeks - Reduced food cravings and appetite - Prevention and reversal of diabetes - Improved dental health - Significant improvement in blood pressure - Enhanced energy levels (up to 50%!) - Increased skin moisture and UV protection - And more! With Eat Chocolate, Lose Weight, Dr. Clower is finally bringing his incredibly successful-and delicious-plan to chocolate lovers everywhere!

Food cravings are a result of brain chemistry rather than appetite--and in the basic difference between genders. Now, the bestselling author of Outsmarting the Female Fat Cell offers a sound, five-week, five-point plan that shows women how to create a sensible eating regimen which anticipates and incorporates cravings for maximum mood management.

Featuring 60 luxurious hot chocolate concoctions and pairings, ranging from ancient Latin American originals and European café classics to comforting childhood treats. No longer just a simple, syrupy sweet drink, today's hot chocolates are brimming with extraordinary flavors like cayenne, vanilla beans, Nutella, buttered rum, pistachios, wasabi, peanut butter, and malted milk balls. Featuring white chocolate foam, marshmallow cream, and frozen and fondue versions, the 60 recipes presented in Hot Chocolate are setting trends in haute chocolate consumption. Contributed by the world's preeminent chocolatiers, including Vosges Haut-Chocolat, Serendipity 3, Citizen Cake, Fran's Chocolates, Scharffen Berger Chocolate, and many more, these imaginative modern variations are for the hip chocoholic of any age. A cup of hot chocolate is twice as rich in antioxidants as a glass of red wine. And, some would say, is just as intoxicating.

A compact connoisseur's guide, with recipes, to today's cutting-edge array of chocolates and chocolate makers from former Chez Panisse pastry chef David Lebovitz. In this compact volume, David Lebovitz gives a succinct cacao botany lesson, explains the process of chocolate making, runs through chocolate terminology and types, presents information on health benefits, offers an evaluating and buying primer, profiles the world's top chocolate makers and chocolatiers (with a whole chapter dedicated to Paris alone!), and shares dozens of little-known factoids in sidebars throughout the book. The Great Book of Chocolate includes more than 50 location and food photographs, and features more than 30 of Lebovitz's favorite chocolate recipes, from Black-Bottom Cupcakes to Homemade Rocky Road Candy, Orange and Rum Chocolate Mousse Cake to Double Chocolate Chip Espresso Cookies. His extensive resource section (with websites for international ordering) can bring the world's best chocolate to every door. A self-avowed chocoholic, Lebovitz nibbles chocolate every day, and with The Great Book of Chocolate in hand, he figures the rest of us will too.

In "I Want Chocolate Cake for Dinner!" Sylvia Burch shares her passionate, personal adventures in the world of nursing-an exciting vocation filled with opportunities to learn, grow, and make the world a better place. Nursing is more than the world's most trusted profession, says Sylvia. It is also the world's best profession! "It is not just for women, it is not the lowest paid profession, and it is not drudgework. It is a pathway to your soul and a roadmap to a bright future." Forty three years in nursing have taken Sylvia across much of America and afforded her a vast array of experiences: part-time and full-time, civilian and military, from staff nurse to administrator and back. The challenges and rewards of a fast-paced labor and delivery unit . . . the inspiring nobility of wounded warriors at Walter Reed Army Medical Center . . . the drama and, yes, the humor of neurosurgery-if you've ever wondered what nursing is all about, "I Want Chocolate Cake for Dinner!" will give a you a window into one of the most fascinating, diverse, and satisfying vocations anyone can choose.
