To the world Imran may appear to be a rich, handsome buffoon with his sports car, eccentric dress sense and bizarre sense of humour—but in reality he possesses a razor-sharp mind, and the agility, strength and quick wits of the perfect spy. His colleagues at the secret service make fun of him, but little do they know that he is their mastermind chief X2—a man who can defeat any enemy and solve all mysteries.

Detective Imran is spy-novelist Ibn-e Safi's greatest creation and the bestselling Imran series are Urdu cult classics, translated into English for the first time. *The House of Fear*: Dead bodies have been found in an abandoned house, each bearing three identical dagger marks, exactly five inches apart. Who is behind these eerie murders? Only Imran can solve this mystery. *The House of Fear* is the first book in the Imran series. *Shootout at the Rocks*: Colonel Zargham knows he is in grave danger when he receives a three-inch wooden monkey in the mail. This is no ordinary threat, but a warning from the two-hundred-years-old Li Yu Ka, one of the world's deadliest gangs. The monkey will be followed by a wooden snake, and then a wooden rooster, after which the colonel will be swiftly murdered. Only one man stands between Li Yu Ka and his death: genius sleuth, Ali Imran.

Leonard is a blackmailer of the first order, he can stoop to any levels and is not restricted to blackmail. He commits other crimes including murder. The fast paced read offers you a very interesting story of how Leonard goes on to commit crimes and how ultimately he falls in the trap of detective Faridi. Come and join the game between Leonard and Faridi; we promise you would love it.

One after another dead bodies are found in the jungle which sends everyone in a tizzy. A question of whodunit arises on the face of everyone. Read the fast paced book to know how the serial murder mystery is solved.

Excellent murder mystery! First an evening of celebrations at a hotel by two police officers, gunshot which claims one life which is first said to be a suicide and then turns out to be a murder. The man killed was a known pimp, but who killed him? Why was he murdered? We invite you to get glued to the book to know who was the "Aurat Farosh Ka Hatyara".

*Ibn al-'Arabi and the Sufis* is a fascinating and groundbreaking analysis of the extent to which various major Sufi figures contributed to the mystical philosophy of Ibn al-'Arabi. While recent scholarship has tended to concentrate on his teachings and life, little attention has so far been paid to the influences on his thought. Each chapter is dedicated to one of Ibn al-'Arabi's predecessors, from both the early and later periods, such as al-Bistami, al-Hallaj and al-Jilani, showing how he is discussed in the works of the 'Greatest Master' and Ibn al-'Arabi's attitude towards him. As the author makes clear, Ibn al-'Arabi was greatly influenced by the early Sufis as regards his philosophy and by the later Sufis in matters of practice. This naturally raises the question: how original was Ibn al-'Arabi? Abrahamov tackles this complex question in his conclusion. This book

brings into sharp relief the highly original nature of Ibn al-'Arabi's mystical theory, unprecedented in Islamic Mysticism, and the unique way in which he interwove the ideas of others into his own thought.

This stunning collection showcases the love poetry and mystical teachings at the heart of the Islamic tradition in accurate and poetic original translations. At a time when the association of Islam with violence dominates headlines, this beautiful collection offers us a chance to see a radically different face of the Islamic tradition. It traces a soaring, poetic, popular tradition that celebrates love for both humanity and the Divine as the ultimate path leading humanity back to God. Safi brings together for the first time the passages of the Qur'an sought by the Muslim sages, the mystical sayings of the Prophet, and the teachings of the path of "Divine love." Accurately and sensitively translated by leading scholar of Islam Omid Safi, the writings of Jalal al-Din Rumi can now be read alongside passages by Kharaqani, 'Attar, Hafez of Shiraz, Abu Sa'id Abi 'l-Khayr, and other key Muslim mystics. For the millions of readers whose lives have been touched by Rumi's poetry, here is a chance to see the Arabic and Persian traditions that produced him.
