King of Ashes is the first book in a brand new trilogy from Raymond E. Feist, set in a new world unconnected to his dozens of Midkemia-related novels. As someone who grew up reading everything he wrote, and he wrote a LOT (Goodreads informs me Feist is my most read author), I was very excited to read something brand new from him.

King of Ashes Summary. The first volume in legendary master and New York Times best-selling author Raymond E. Feist's epic heroic fantasy series, The Firemane Saga - an electrifying tale of two young men whose choices will determine a world's destiny. For centuries, the five greatest kingdoms of North and South Tembria, twin continents on the world of Garn, have coexisted in peace.

The first volume in legendary master and New York Times bestselling author Raymond E. Feist's epic heroic fantasy series, The Firemane Saga--an electrifying tale of two young men whose choices will determine a world's destiny. For centuries, the five greatest kingdoms of North and South Tembria, twin continents on the world of Garn, have coexisted in peace. But the balance of power is destroyed when four of the kingdoms violate an ancient covenant and betray the fifth: Ithrace, the Kingdom of Flames, ruled by Steveren Langene, known as "the Firemane" for his brilliant red hair. As war engulfs the world, Ithrace is destroyed and the Greater Realms of Tembria are thrust into a dangerous struggle for supremacy. As a Free Lord, Baron Daylon Dumarch owes allegiance to no king. When an abandoned infant is found hidden in Daylon's pavilion, he realizes that the child must be the missing heir of the slain Steveren. The boy is valuable--and vulnerable. A cunning and patient man, Daylon decides to keep the baby's existence secret, and sends him to be raised on the Island of Coaltachin, home of the so-called Kingdom of Night, where the powerful and lethal Nocusara, the "Hidden Warriors," legendary assassins and spies, are trained. Years later, another orphan of mysterious provenance, a young man named Declan, earns his Masters rank as a weapons smith. Blessed with intelligence and skill, he unlocks the secret to forging King's Steel, the apex of a weapon maker's trade known by very few. Yet this precious knowledge is also deadly, and Declan is forced to leave his home to safeguard his life. Landing in Lord Daylon's provinces, he hopes to start anew. Soon, the two young men--an unknowing rightful heir to a throne and a brilliantly talented young swordsmith--will discover that their fates, and that of Garn, are entwined. The legendary, long-ago War of Betrayal has never truly ended. . . and they must discover the secret of who truly threatens their world.

From King of Ashes to Queen of Storms, it's all built up to this--the thrilling conclusion to legendary New York Times bestselling author Raymond E. Feist's epic Firemane saga. War has swept across Marquensaa. Ruthless raiders have massacred the inhabitants of Beran's Hill, including Gwen, the beloved wife of Declan Smith. Hollow of heart, his hopes burned to ashes, Declan swears to track down and destroy the raiders, an ambition shared by Baron Daylon Dumarch, whose family was massacred as they fled the capital. Meanwhile Hava, whose gift for piracy has seen her acquire the treasure ship Borzon's Black Wake and the swift Ashante sailing vessel, Queen of Storms, and won her the name of "the Sea Demon," is closing in on the whereabouts of those who unleashed the murderous hordes. Her husband, Hatushaly, the last remaining member of the ruling family of Ithrace, the legendary Firemanes, seeks to control the magical powers he has inherited. He is able now to visualize and even travel among the filaments of energies that power all existence: the furies. But will he be able to channel his magic in time to combat the deepest, darkest threat the world of Garn has ever faced?

Dark and powerful forces threaten the world of Garn once more in this second novel in legendary New York Times bestselling author Raymond E. Feist's epic fantasy series, the Firemane Saga. Hatushaly and his young wife Hava have arrived in the prosperous trading town of Beran's Hill to restore and reopen the fire-damaged Inn of the Three Stars. They are also preparing for the popular midsummer festival, where their friends Declan and Gwen will be wed. But Hatu and Hava are not the ordinary loving couple they appear to be. They are assassins from the mysterious island of Coaltachin, home to the powerful and lethal Nocusara, the fearsome "Hidden Warriors." Posing as innkeepers, they are awaiting instructions from their masters in the Kingdom of Night. Hatu conceals an even more dangerous secret. He is the last remaining member of the legendary Firemanes, the ruling family of Ithrace. Known as the Kingdom of Flames, Ithrace was one of the five greatest realms of Tembria, ruled by Hatu's father, Sterveren Langene, until he and his people were betrayed. His heir, Hatu--then a baby--was hidden among the Nocusara, who raised him to become a deadly spy. Hatu works hard to hide his true identity from all who would seek to use or to destroy him, as fate has other plans for the noble warrior. Unexpected calamity forces him to make choices he could not have dreamed awaited him. A series of horrific events shatters the peace of Beran's Hill, bringing death and devastation and unleashing monstrous forces. Once more, the Greater Realms of Tembria are threatened--and nothing will ever be the same again.

The world of Raymond E. Feist is brought to stunning life in this illustrated deluxe compendium, complete with maps, character drawings, and first-person narrative text by the master of fantasy fiction. Part travel log/journal and part atlas, Midkemia: The Chronicles of Pug brings the fictional world of Midkemia to vivid, illustrative life, and gives readers a completely new look at the creative genius of Raymond E. Feist. Written in first-person--a first for veteran bestseller Raymond Feist--the book details the life and times of Pug of Stardock, the hero of Feist's The Chaoswar Trilogy. Beautiful hand-drawn maps illustrate the changes in Midkemia's geography as war ravages the land and physically alters the landscape; dedicated readers and fans can literally trace the changes made by each battle. Complete with thirty pieces of specially commissioned artwork, this book is a totally immersive look into the world of Midkemia as never experienced before.

"Feist constantly amazes." --SF Site "Feist has a command of language and a natural talent for keeping the reader turning pages." --Chicago Sun-Times *The Chaoswar--the fifth and final Riftwar--is in full, explosive swing in Raymond E. Feist's A Crown Imperiled, the second book in the acclaimed, New York Times bestselling fantasist's monumental saga of courage, conflict, and bitter consequence. Once again, Midkemia, the author's brilliantly conceived fantasy milieu, is in gravest danger from outside invaders--and from treacherous forces within--as the death of a powerful leader throws the world into chaos and threatens all hope of enduring peace. Returning in A Crown Imperiled are some of Feist's most memorable characters--including the great sorcerer, Pug, who has been a fan favorite since his introduction in the author's beloved classic, Magician--and the action, as always, comes fast and furious. The Chaoswar Saga is the master fantasist working at the peak of his powers, and further proof why Raymond E. Feist, like Terry Goodkind, George R. R. Martin, and Terry Brooks, is one of the true giants of epic fantasy fiction.*

In The Fifth Sorceress, Robert Newcomb conjures a time and place wrought with exquisite detail, characters vividly drawn and deeply felt, and a history rich in glory and horror, splendor and secrets. . . . "We gave them a chance once, long ago. . . . We offered to share power equally, and in peace. But they refused and chose war. With them it was all or nothing. Wizard against Sorceress. Male against female. Light against dark." It is more than three centuries since the ravages of a devastating war nearly tore apart the kingdom of Eutracia. In its wake, those who masterminded the bloodshed--a quartet of powerful, conquest-hungry Sorceresses--were sentenced to exile, with return all but impossible and death all but inevitable. Now a land of peace and plenty, protected and guided by a council of immortal wizards, Eutracia is about to crown a new king. And as the coronation approaches, the spirit of celebration fills every heart. Except one. Prince Tristan is a reluctant monarch-to-be. Though born with the "endowed" blood that will give him the power to master magic, and destined by tradition to succeed his father as ruler, he is a rebel soul. And when he discovers the ancient, hidden caves where strange red waters flow--possessed of their own mysterious magic--it only makes him yearn all the more to escape his future of duty . . . and succumb to the stirrings of enchantment within him. But more than tradition compels Tristan to ascend the throne. The very existence of Eutracia depends upon it. For after these long centuries of peace, dreadful omens have begun to appear, heralding something too unspeakable to ponder. And if indeed the old evil has returned, hungry to wreak vengeance, Tristan's role in an ages-old prophecy must be fulfilled--or the cost to his kingdom and his people will be beyond imagination. It will be a battle like none ever known, against an enemy whose thirst for blood and domination is depthless and unyielding. And for Tristan, it will be the ultimate challenge: facing an adversary whose greatest weapon is the person he loves most--transformed into the instrument of his annihilation . . . and the catalyst that will doom Eutracia forever to darkness.

New York Times bestselling author Anne Bishop returns to the world of her Black Jewels Trilogy with a prequel that follows a man who is determined to rebel against the course set before him... Jared is a Red-Jeweled Warlord bound as a pleasure slave by the Ring of Obedience. After suffering nine years of torment as a slave, he murdered his freedom and escaped--only to be caught and sold into slavery once again. Purchased by a notorious queen, Jared fears he will share the mysterious fate of her other slaves--never to be seen again--and so prepares himself for death. But the Gray Lady may not be what she seems and Jared soon faces a difficult decision: his freedom, or his honor...

From #1 New York Times bestselling author Patricia Briggs comes a fantastical series set in a world where magic is the only thing that stands between humanity and total destruction... Seraph is a Raven mage, and among the last of the Travelers who ensure that the city of Colosae is safe from evil. Unwelcome by those who fear magic, the wizard clans have been decimated by the very people they've sworn to protect. But Seraph is spared a similar fate by the ex-soldier Tier--and together they build a life where she is no longer burdened by her people's responsibility. But now Tier is missing--or dead--and Seraph's reprieve from her duty is over. Using her magic to discover her husband's fate, Seraph realizes the prison that holds the evil entity known as Stalker is weakening--and only Seraph can fulfill her ancestors' oath...
