Diane Ronngren has been consulting with clients for more than 25 years. She explains, "Your life story is being written based on the storyline unfolding as you live your life, responding to the energy, the people and events as paths cross and happenings occur." Join her as she shares her favorite tips and techniques on how to read your Progressed Moon. NOW WITH AN UPDATED ECLIPSE LISTING - FROM 2020 to 2050! This mini-book on the astrology topic, Eclipse!, brings a modern-day approach to working with the energy of this cosmic phenomenon from an astrological and metaphysical perspective to the general public. It includes 14 years of past and future data on eclipses (2007 to 2020). In the past the ancients may have been believed an eclipse foreshadowed doom, illness and war, barbarians overrunning the country, failed harvests and drought, or an abundant harvest, the marriage of kings, and the birth of heirs. Today when a Solar or Lunar Eclipse happens in the heavens above us, many of us feel the burst of energy all around. You may be familiar with the saying: "As above, so below." At the time of an eclipse, important things are happening in the world. We can check the news on the day of any Eclipse and the headlines will reveal the energy of "As Above". If we look into our personal lives, our homes, our cities, the lives of the people we know, we see the reflection of this energy on a personal level Astrologer Diane Ronngren reminds us this is one of the the best times to focus on our own lives, to get in touch with what's going on from a personal perspective. Not every eclipse triggers personal drama or the need to make make significant change in our lives. However every eclipse provides an opportunity to re-focus on our goals, our direction. If we are not satisfied with some areas of our life, we'll have enough energy to make necessary changes. Both Solar and Lunar Eclipses bring opportunities to discover solutions, handle issues, create new habits or meet new people. These new activities and new influences help us to grow and improve our lives over time. Each experience brings more insight and awareness about how we are in charge of the way we live our lives. Each time we focus on something that's important to us, we practice how to better connect with the energy of life all around.

In A Spiritual Approach to Astrology, Myrna Lofthus strives to re-awaken the conscious mind to the intentions and meaning of this lifetime of which the higher self was aware before birth. "Thus," she writes, "you are made aware of what you wished to accomplish and in what areas of life you need the most work and understanding." Drawing upon the universal teachings of reincarnation as expressed in Edgar Cayce's work, Myrna Lofthus illuminates the karmic patterns reflected in the birth chart. Dozens of charts and illustrations help the reader to understand the astronomical and the theoretical foundations of the birth chart. The lengthy section on aspects not only explains their karmic meaning but includes interpretations of the 40° ("nonagen" or "novile") and the 150° ("quincunx") aspects, as well as aspects to the Moon's nodes, Part of Fortune, Ascendant, and Midheaven, all of which are rarely found in other books. This comprehensive guide places astrology within a spiritual context and makes it accessible to novice students with no prior knowledge of astrology as well as advanced students seeking specialized information on the subtler implications of astrological configurations. Myrna Lofthus, a lifelong student of world religions and philosophies, graduated Magna Cum Laude from Pacific Lutheran University. Strongly influenced in her search for truth by the philosophy of Edgar Cayce and by the astrological concepts of Isabel Hickey, Myrna Lofthus has come to view astrology as a way an individual can find the main purpose of this incarnation.
