What to Read Before You Go: *Northern Light: The Enduring Mystery of Tom Thomson and the Woman Who Loved Him* by Roy MacGregor (Vintage Canada, 2011) gives a crash course in local Algonquin lore.

Anyone dreaming about owning an affordable sailboat will be attracted by this book which provides a good introduction to trailer-sailing. The author shows how cruising on a small boat that can be kept at home and towed behind the family car is a satisfying and not very costly exercise.

". . . the perfect place to begin, or continue, your education." --Sailing Whether you are shopping for a used fiberglass boat or prioritizing maintenance tasks on the one you already own, this book saves money--and perhaps even disaster. With clear step-by-step drawings and instructions, Don Casey explains how to recognize problems--both surface and hidden--and how to separate cosmetic flaws from serious faults.

trailerable sailboat is the ideal way to explore the country ? wherever there is water. To make the most of this exciting lifestyle, owners of trailerable sailboats need three things ? an understanding of the boat and how to use it; knowledge about the tow vehicle and trailer used to transport the boat; and a spirited sense of adventure to live the dream. #13;#13; This book will help you get started. #13;#13; #13;

Starting with a simple task, such as a deck box, or even a tool box, this book proceeds to bigger projects so that you can develop the skills you need to build almost anything. This book includes joinery techniques and handy gimmicks. It also provides alternative procedures for several of the projects included herein.
