Leslie C. Allen, New International Commentary on the Old Testament (NICOT), Eerdmans, 1976. 427 pp. The eloquent and uncompromising calls for social righteousness by some of the Minor Prophets are familiar to many, yet the writings themselves are probably the least studied and least-known texts of the Old Testament.

Best Commentaries and Books on Micah | Logos Bible Software

The book of Micah provides one of the most significant prophecies of Jesus Christ's birth in all the Old Testament, pointing some seven hundred years before Christ's birth to His birthplace of Bethlehem and to His eternal nature (Micah 5:2).

Book of Micah Overview - Insight for Living Ministries

Micah 2 is a message of woe for the ruling class, because of their oppression of the poor. In this chapter Micah records the attempts of these men to do away with his preaching (Micah 2:6, 11). The sins of the ruling classes, as well as the false prophets, and the priests, are dealt with in Micah 3.

Summary of The Book of Micah - The Story of the Bible: The ...

According to the Hebrew Bible, Micah (Hebrew: מִיכָהּ מִיכָהּ ? M??? hamm?rašî? "Micah the Morashite") was a prophet in Judaism and is the author of the Book of Micah. He is considered one of the Twelve Minor Prophets of the Hebrew Bible and was a contemporary of the prophets Isaiah, Amos and Hosea.

Obadiah, Jonah and Micah: Tyndale Old Testament Commentary ...

Verses 8-10. The judgment will not stop at Samaria, however, but spread over Judah. The prophet depicts this by saying that he will go about mourning as a prisoner, to set forth the misery that will come upon Judah (Micah 1:8, Micah 1:9); and then, to confirm this, he announces to a series of cities the fate awaiting them, or rather awaiting the kingdom, by a continued play upon words founded ...

Micah, Nahum, Habakkuk, Zephaniah, Haggai, Zechariah and Malachi (#16 in Basic Bible Commentary Series)

This much-needed commentary provides an authoritative guide to a better understanding of the often-neglected book of Micah. If gives insight into the individual sayings of Micah, to the way they were understood and used as they were gathered into the growing collection, and to their role in the final form of the document. "I am convinced," says Dr. Mays, that Micah "is not just a collection of prophetic sayings, but is the outcome of a history of prophetic proclamations and is itself in its final form prophecy."The Old Testament Library provides fresh and authoritative treatments of important aspects of Old Testament study through commentaries and general surveys. The contributors are scholars of international standing.

This much-needed commentary provides an authoritative guide to a better understanding of the often-neglected book of Micah. It gives insight into the individual sayings of Micah, to the way they were understood and used as they were gathered into the growing collection, and to their role in the final form of the document. "I am convinced," says Dr. Mays, that Micah "is not just a collection of prophetic sayings, but is the outcome of a history of prophetic proclamations and is itself, in its final form, prophecy." The Old Testament Library provides fresh and authoritative treatments of important aspects of Old Testament study through commentaries and general surveys. The contributors are scholars of international standing.

Allen's study of the Books of Joel, Obadiah, Jonah, and Micah constitute a volume in The New International Commentary on the Old Testament. Like its companion series on the New Testament, this commentary devotes considerable care to achieving a balance between technical information and homiletic-devotional interpretation.

Highly regarded Old Testament scholar John Goldingay offers a substantive and useful commentary on Hosea through Micah and explores the contemporary significance of these prophetic books. This volume, the first in a new series on the Prophets, complements the successful series Baker Commentary on the Old Testament: Wisdom and Psalms (series volumes have sold over 55,000 copies). Each series volume is both critically engaged and sensitive to the theological contributions of the text. Series editors are Mark J. Boda and J. Gordon McConville.

In this masterful commentary, respected biblical scholar Bruce Waltke carefully interprets the message of the prophet Micah, building a bridge between Micah's ancient world and our life today. Waltke's Commentary on Micah quickly distinguishes itself from other commentaries on this book by displaying an unprecedented exegetical thoroughness, an expert understanding of historical context, and a keen interest in illuminating the contribution of Micah to Christian theology. Tackling hard questions about date and authorship, Waltke contends that Micah himself wrote and edited the nineteen sermons comprising the book. Waltke's clear analytical outline leads readers through the three cycles of Micah, each beginning with an oracle of doom and ending with an oracle of hope, decisively showing that hope wins over doom. Learned yet amazingly accessible, combining scholarly erudition with passion for Micah's contemporary relevance, this book will well serve teachers, pastors, and students alike.

The plan of this volume of commentary on the New English Bible text of three Old Testament books follows the pattern established by the New Testament series of Cambridge Bible Commentaries on the New English Bible. The main divisions of the text are those provided by the New English Bible itself. The text is further subdivided for the purposes of the commentary, which is printed in short sections following the relevant portion of text. In his introduction Dr McKeating discusses the chronology of the books in this volume, indicating briefly the historical events of the period. He examines the structure and content of these books and shows how these three men, alike in their intensity but utterly different in background and in temperament, reflect three different attitudes to a corrupt society.

A distinctively theological take on the book of Micah Readers of the book of Micah learn a great deal about God: he is a mighty God who controls the nations, yet he is also concerned with everyday matters like equity, poverty, and care for widows and orphans. In presenting this transcendent-yet-immanent God, Micah's message revolves around themes of justice, judgment, and salvation that continue to carry great significance today. In this theological commentary on the book of Micah, Stephen Dempster places the text in conversation with the larger story of Scripture. After discussing questions of structure and authorship in his introduction, Dempster systematically works through the text, drawing links to the broader biblical story throughout. In the second part of his commentary Dempster offers theological discussion that further explicates the most significant themes in Micah and their applicability to today's Christians.

Although they are often neglected, at least partly because their words of judgement make readers uncomfortable, these prophetic books have considerable theological and ethical value.

Obadiah's oracle against Edom. Jonah's mission to the city of Nineveh. Micah's message to Samaria and Jerusalem. The texts of these minor but important prophets receive a fresh and penetrating analysis in this introduction and commentary. The authors consider each book's historical setting, composition, structure and authorship, as well as important themes and issues. Each book is then expounded in the concise and informative style that has become the hallmark of the Tyndale series. The original, unrevised text of this volume has been completely retypeset and printed in a larger, more attractive format with the new cover design for the series.

One in a series of twenty Old Testament verse-by-verse commentary books edited by Max Anders. Includes discussion starters, teaching plan, and more. Great for lay teachers and pastors alike.
