The Nanny is a good beginning of the story about Kevin who hires Shelly to help him care for Tyler. We get a glimpse into who they are and then, to be continued. I guess I will stay tuned to see what comes next. Interesting start. I received a free copy of this book via Booksprout and am voluntarily leaving a review.

Nanny Returns: A Novel by Emma McLaughlin, Nicola Kraus...

"The nanny could be cleaning up dog pee or doing the dishes or vacuuming" while the pet sitter or maid was off on another errand, she says. "Full-time nannies, nurses to stay overnight, dog walkers -- these are for stay-at-home moms" explains a nanny who has had access to several high-income households. One mom even kept someone on staff to ...

Emma tries to help her parents understand that, although their beloved new nanny has made a few mistakes, no one can behave perfectly responsible all the time.

Nanny Reilly and her dog Henry Daly are tricked by a mean leprechaun king into kidnapping his niece Princess Tara. Nanny's kindness and innocence brings out the best in King Brian and they are invited to the leprechaun dance on midsummer's eve. Nanny, Henry Daly and their new friend Ned dress up in their Sunday best and go to the dance. On their way to the dance, Princess Tara and her father King Rory are caught by a mean man named Bull Cullen. Bull is looking for the crock of gold and is ready to surrender Princess Tara and King Rory to the Banshee, a mean old witch who takes all her victims into her Banshee's Cradle in the heart of the forest. Nanny, Ned and Henry Daly rescue them. For their bravery, they are presented with a gold whistle each and two magic ponies. The gold whistles give them the same magic powers as a leprechaun. One day, while out beachcombing on their ponies, they come across footprints in the sand. They follow the prints and find a distraught fisherman named Fran O'Toole whose friend Mike Donovan has been captured by the Banshee. These footprints are the beginning of a magical adventure, which land them deep within the Banshee's Cradle.

When did we lose our right to be lazy, unhealthy, and politically incorrect? Move over Big Brother! An insidious new group has inserted itself into American politics. They are the nannies—not the stroller-pushing set but an invasive band of do-gooders who are subtly and steadily stripping us of our liberties, robbing us of the inalienable right to make our own decisions, and turning America into a nation of children. As you read this, countless busybodies across the nation are rolling up their sleeves to do the work of straightening out your life. Certain Massachusetts towns have banned school-yard tag. San Francisco has passed laws regulating the amount of water you should use in dog bowls. The mayor of New York City has french fries and doughnuts in his sights. In some parts of California, smoking is prohibited . . . outside. The government, under pressure from the nanny minority, is twisting the public’s arm into obedience. Playground police, food fascists, anti-porn crusaders —whether they’re legislating morality or wellbeing—nannies are popping up all over America. In the name of health, safety, decency, and—shudder—good intentions, these ever-vigilant politicians and social activists are dictating what we eat, where we smoke, what we watch and read, and whom we marry. Why do bureaucrats think they know what’s better for us than we do? And are they selectively legislating in the name of political expediency? For instance, why do we ban mini-motorbikes, responsible for five deaths each year, and not skiing, which accounts for fifty deaths each year? Why is medical marijuana, a substance yet to claim a single life, banned and not aspirin, which accounts for about 7,600 deaths? Exhaustively researched, sharply observed, and refreshingly lucid, Nanny Sate looks at the myriad ways we are turning the United States into a soulless and staid nation—eroding not only our personal freedoms but our national character.

Makes charges about how politicians, the clergy, and families are failing to protect those in their care, presenting strong statements about personal responsibility and self-reliance in today's uncertain world.

This critically acclaimed, award-winning middle grade debut follows the story of the three Green children who are cared for by a nanny pig. Yes, a pig. A fabulously sassy and impeccably dressed pig as a matter of fact! With her insatiable urge to eat chocolate (and feed chocolate to everyone she loves), her high-flying spirit, and her unending sense of fun, Nanny Piggins takes Derrick, Samantha, and Michael on a year of surprises, yummy treats, and adventures they'll never forget. It's no surprise that Booklist proclaimed, "Mary Poppins, move over-or get shoved out of the way." Nanny Piggins is a refreshing and dynamic addition to favorite classic nannies: Amelia Bedelia, Mrs. Piggie Wiggle, and, of course, Mary Poppins. Combined with award-winning artist Dan Santat's charming black-and-white illustrations, The Adventures of Nanny Piggins is set to become the next children's classic!

Gathering at their Lake Geneva estate when their adoptive father passes away, six sisters receive tantalizing clues about their true heritage, prompting Maia to journey to Rio de Janeiro to learn the story of her parents' forbidden love. By the best-selling author of The Orchid House.

An Arranged Marriage Standalone Mafia Romance. The first time Cassio meets his fiancée, she calls him "sir." After losing his wife, Cassio is left to take care of two small children while trying to establish his rule over Philadelphia. Now he needs a mother for his children and someone who can warm his bed at night. But in a world as traditional as his, choosing your wife is duty not pleasure.Rules have to be followed, traditions heeded. That's how he ends up with a woman-a girl-barely of age. She may not be what he and his children need, but she's lovely and a sweet temptation he can't resist. Giulia has always known she'll marry the man her father chose for her, but she never expects to be given to someone so much older. Suddenly she's supposed to be a mother to two small children when she hasn't even held a baby before.Giulia quickly realizes that Cassio isn't interested in a relationship on equal footing. Her mother has warned her that men of power, like Cassio, don't tolerate insolence. Tired of being treated as a nanny, Giulia decides to fight for her version of a happy family.

WHAT BRINGS FAMILY TOGETHER CAN ALSO PULL IT APART JJ, Spenser, Charlie and Philip, the four adult sons of retired Senator John Bright, dutifully head with their partners to the lake house for their annual family reunion. The Brights are the picture of perfectness, a family of outsize pride—fun, attractive, competitive and a bit terrible... They have everything they need, except the ability to see themselves clearly. This year the senator has agreed to let a producer film them for a documentary. Naturally, they let their guard down—each adrift in his own way. Petty jealousies surface amid the joys of summer. Philip, the youngest and least like his siblings, announces an unconventional decision and earns the ribbing—or is it scorn—of his brothers. The senator toys with another political run. But not everyone wants in this time. So one by one, family secrets start to come out...and keep coming. It becomes apparent that, despite their affection for one another, it is time for this big, dysfunctional family to redefine what it means to be a Bright.

“Smart and witty . . . the perfect historical read.” —Julia Quinn, #1 New York Times bestselling author New York Public Library, Bookriot, Vulture, Time Out, and Overdrive Featured Book to Read After Bridgerton! Featured in Entertainment Weekly, O Magazine, Washington Post, Wall Street Journal, Bustle, and Bookish! An Amazon Best of the Month Selection A Publishers Weekly Summer Reads 2020 Editors’ Pick A ground-breaking, empowering, and sexy story from acclaimed author Vanessa Riley that fans of Beverly Jenkins, Evie Dunmore, and Alyssa Cole won’t be able to put down. Join these Rogues & Remarkable Women as they fight for their status, their families...and true love. When headstrong West Indian heiress Patience Jordan questioned her English husband’s mysterious suicide, she lost everything: her newborn son, Lionel, her fortune—and her freedom. Falsely imprisoned, she risks her life to be near her child—until The Widow’s Grace gets her hired as her own son’s nanny. But working for his unsuspecting new guardian, Busick Strathmore, Duke of Repington, has perils of its own. Especially when Patience discovers his military strictness belies an ex-rake of unswerving honor—and unexpected passion . . . A wounded military hero, Busick is determined to resolve his dead cousin’s dangerous financial dealings for Lionel’s sake. But his investigation is a minor skirmish compared to dealing with the forthright, courageous, and alluring Patience. Somehow, she’s breaking his rules, and sweeping past his defenses. Soon, between formidable enemies and obstacles, they form a fragile trust—but will it be enough to save the future they long to dare together? “Vanessa Riley at her finest.” —Sarah MacLean, New York Times bestselling author “I was delighted. Readers on the lookout for Black or disabled characters in historical romance will not want to miss this.” —New York Times Book Review “One of the best historicals I’ve read in years.” —Kristan Higgins, New York Times bestselling author “Expertly crafted romance.” —Publishers Weekly, STARRED review
