Thoughts by America's walking saint for each day of the year, with spaces for your inspirations.

In nearly three decades, she walked more than 25,000 miles, carrying her possessions in her blue tunic and spreading her belief about peace: overcome evil with good, and falsehood with truth, and hatred with love.

Let's go for walk. A very long walk. A journey down the pilgrim's path. Traipsing through the forest of life. Climbing over the mountains of adversity. Enduring the climate of challenge. Over the course of countless miles and numerous days, we will mine the golden wisdom hidden within our pilgrimage experience.

A woman faced with advanced cancer shares the story of how preparing to die led her to experience a profound healing on all levels--physical, emotional, and spiritual. • Explores the practical and spiritual aspects of confronting a life challenge as a springboard for spiritual growth. • Includes accounts of dreams, exercises, and visualizations that inspire profound healing. • Outlines 12 self-help practices of wellness--emotional clearing, meditations, and lifestyle changes--through the living example of a cancer survivor. • By the co-compiler of the spiritual classic Peace Pilgrim: Her Life and Work in Her Own Words. At the age of 41 Cheryl Canfield was diagnosed with advanced cervical cancer. Going against warnings from doctors, she rejected proposed surgeries that would involve removing her uterus, cervix, lymph nodes, and surrounding nerves. Instead, she decided to accept death and focused her energy on attempting to die well. In the process, she cured herself. Profound Healing is Canfield's down-to-earth account of her journey as she inadvertently experiences a modern-day miracle, and her subsequent reflections on physical, emotional, mental, and spiritual healing. More than a biography, Canfield's story contains exercises, dreams, visualizations, and experiences--from encounters with the modern mystic Peace Pilgrim to her own acceptance of cancer--that assisted her healing process. Others can use her hard-earned insights as a source of hope, inspiration, and practical advice. Relevant to anyone seeking personal growth and life wisdom, Profound Healing is not merely about dying or living. It is about discovering one's life and living it fully while here.

At the age of 41 Cheryl Canfield was diagnosed with advanced cervical cancer. She rejected proposed surgeries that would involve removing her uterus, cervix, lymph nodes, and surrounding nerves. Instead, she decided to accept death and focused her energy on attempting to die well. In the process, she cured herself.

Brilliant historical insight reveals that each major religion is a unique part of the divine system.

The first female Conservative rabbi in the U.S. reflects on ancient Jewish traditions as a guide to reconciliation and peacebuilding in our lives, our communities, and our world.

"Vivid and remarkably fresh...Philbrick has recast the Pilgrims for the ages."--The New York Times Book Review Finalist for the Pulitzer Prize in History New York Times Book Review Top Ten books of the Year With a new preface marking the 400th anniversary of the landing of the Mayflower. How did America begin? That simple question launches the acclaimed author of In the Hurricane's Eye and Valiant Ambition on an extraordinary journey to understand the truth behind our most sacred national myth: the voyage of the Mayflower and the settlement of Plymouth Colony. As Philbrick reveals in this electrifying history of the Pilgrims, the story of Plymouth Colony was a fifty-five year epic that began in peril and ended in war. New England erupted into a bloody conflict that nearly wiped out the English colonists and natives alike. These events shaped the existing communities and the country that would grow from them.
