Department for Work and Pensions - GOV.UK

Pensions can often be taken early on the basis of ill health. This can work in different ways for different types of scheme, so it's best to check with your provider what their procedure is and call our helpline if you feel that you would benefit from a conversation with an impartial expert.

Pensions & Health - The Pensions Advisory Service

Ill-health impacts pensions in two real ways: In extreme ill-health, where the person cannot carry on working, an ill-health, earlyretirement pension may be paid which commences immediately and may be enhanced over the accrued pension to date. Less extreme ill-health lowers life expectancy and hence the time over which a pension will be paid.

Pensions, Ill-health and Divorce
