Perspectives on Globalization, Social Justice and Welfare

There is also a third threat to social justice in globalization. Like displacement and reification, this one, too, is the result of an historical irony: globalization is decentering the national frame in ways that make it increasingly implausible to posit the national state as the sole container, arena, and regulator of social justice.

Perspectives On Globalization Social Justice And Welfare

The adoption of a global perspective will broaden the scope of social policy and social work scholarship to encompass many more cultures and societies and obtain meaningful insights into the way that diverse cultures and societies define, interpret and promote social welfare and social justice. Social policy and social work will be enriched by a perspective of this kind and hopefully assert its latent commitment to cosmopolitan ideals.

Perspectives On Globalization Social Justice And Welfare

Rather than peace, they have created conditions for war and increased militarism; rather than prosperity and social justice, they have increased the gulf between the rich and the poor; rather than environmental protection, they have led to the privatization and destruction of publicly-owned natural resources; and rather than eliminating racist, ethnocentric, and sexist barriers, globalization has been, ultimately, " a system hostile or antagonistic to women " (Jaggar 2001, 301).
