We always start with scales before learning arpeggios. And the first scale that we learn on the piano, is C Major. There's a reason for that! C major is at the top of what is called the Circle of Fifths. The Circle of Fifths charts out our Major and Minor Keys in order of how many sharps or flats they have in them. C Major has no sharps or flats in it.

Intermediate students are ready to explore the challenges of one-octave scales and arpeggios. More than a simple reference to scale fingerings and key signatures, this book presents valuable patterns that engage the ear and give musical meaning to scale degrees. By transposing these patterns and common chord progressions, students gain deep understanding in all keys. With additional strategies for fluency and gesture, students are well-prepared for

(Berklee Press). Learn piano basics, as required of every piano major at Berklee College of Music. The exercises featured in this book will help you improve your sight-reading skills, and memorize new material in less time and with more confidence. Scales, chords, arpeggios, and cadences will improve your tone, dynamic range, and sense of rhythm. You will become more comfortable with fingerings, develop speed and agility on the keyboard, and will build a foundation for further study.

(Faber Piano Adventures). Scales and arpeggios are the backbone of

confident, polished playing. Practicing these two pillars of technique develops dexterity and speed. When combined with essential music theory patterns, the result is "harmony in motion." Not just a reference for technical progress, Scale and Chord Book 3 encourages a focus on touch and sound, especially the feel of the black keys under the hands. Late intermediate and advancing students learn to perform multi-octave scales and arpeggios with fluency. Transposition exercises emphasize understanding of tonic, dominant, and leading tone. Gestural marks direct the integration of wrist motion. And, importantly, study of chord progressions provides the toolset for analysis, improvisation, and composition.
