~~Practice Questions for Standardized Tests—Test Preparation~~

The more time you take to practice for your test, the more familiar you will become with the test's format. Taking time to practice will also help you be more ready, and because of that, you will be less likely to panic. Lastly, practicing can give you an opportunity to find, and get rid of any bad habits, which often lead to errors. For best results, take the practice tests under the same realistic testing conditions, as you would the real one.

~~10 Tips For Preparing And Passing Standardized Tests~~

One of the easiest things you can do to prepare students for standardized testing is to make sure your instruction is aligned with the skills that students will be tested on.
