(PDF) Organizing and the Process of Sensemaking  
Process and sensemaking may be seen as mutually interlocking phenomena and, as such, are cornerstones in process thinking, This book brings together contributions from an international group of scholars energized by process organization studies. The chapters offer perspectives from different disciplines, insights from diverse theoretical traditions and contexts, and parallels made with a range of cultural forms, including art, poetry, and cookery.

Process Sensemaking And Organizing Perspectives On Process ...

Perspectives on Process Organization Studies is a new series dedicated to the development of an understanding of organizations and organizing at large as processes in the making. This series brings together contributions from leading scholars, which focus on seeing dynamically evolving activities, interactions and events as important aspects of organized action rather than static structures and fixed templates.

---

Process, Sensemaking, and Organizing | Oxford University Press

Beyond the focus on power, our process conception of sensemaking can help integrate and explicate findings from prior studies, bridging three key dividing lines in the sensemaking tradition: (1) individual and collective sensemaking; (2) cognitive, discursive and narrative forms of sensemaking; and (3) crisis and organizational/strategic sensemaking (Maitlis & Christianson, 2014). The pursuit of coherence among observations, beliefs and actions takes place both in individual cognitions and ...
