The ABA Journal serves the legal profession. Qualified recipients are lawyers and judges, law students, law librarians and associate members of the American Bar Association.

Almost half a century after graduating medical school, Dr. Louis J. Rosenbaum examines the state of American medicine prior to the enactment of Obama-care. He examines the decline of morality and standards in our culture as well as relevant federal regulations, court decisions, tort law, and media bias, and he describes their adverse impacts upon physicians and patients. He explains how the current focus on controlling costs eclipses consideration of ill-conceived governmental policies. He notes that the free-market American health-care system minimizes delays in providing necessary treatments and achieves cancer survival rates superior to those of countries with socialized medicine. He documents universities' failure to teach medical students and doctors to control costs by evaluating the benefits and risks of possible treatments. His pragmatic suggestions are based on forty years of practicing, teaching, and conducting research.

Violent rabbis, lovelorn wives, a busy Grim Reaper, shame-filled simians, and one seriously angry deity populate this humorous and disquieting collection. Shalom Auslander's stories in Beware of God have the mysterious punch of a dream. They are wide ranging and inventive: A young Jewish man's inexplicable transformation into a very large, blond, tattooed gay ends with a Talmudic argument over whether or not his father can beat his unclean son with a copy of the Talmud. A pious man having a near-death experience discovers that God is actually a chicken, and he's forced to reconsider his life -- and his diet. At God's insistence, Leo Schwartzman searches Home Depot for supplies for an ark. And a young boy mistakes Holocaust Remembrance Day as emergency preparedness training for the future. Auslander draws upon his upbringing in an Orthodox Jewish community in New York State to craft stories that are filled with shame, sex, God, and death, but also manage to be wickedly funny and poignant.
