Danfoss Randall - Heating Controls Online

I already knew about the battery not being replaceable from the Danfoss Randall website. But it says "The battery in the 702 programmer is only used to hold the programmed settings during a power-cut." that would mean the power comes from the mains - and I've not had a power cut. the light has just suddenly stopped flashing a couple of days ago.

I have a randall 702 heating control, the light for the ...
