Dave Van Horn is known as a real estate notes expert, and the sections of the book on note investing made it as clear as a pretty complicated business can be. If you're curious about note investing, this is a great place to start because the explanations, particularly of what an investor can do with non-performing notes, are straightforward and ...

in real estate when you establish a Self-Directed individual retirement account, such as a Solo 401(k) or a Roth Solo 401(k) for real estate. When we say “invest your 401(k) in real estate”, we are not referencing a traditional, employee sponsored 401(k). In fact, you cannot use your 401(k) to invest directly in real estate. You can use a Solo 401(k) if you’re a small business owner with no employees or a self-employed individual.
