STRATEGIC MANAGEMENT: Creating Competitive Advantages, 3/e, by Dess, Lumpkin, and Eisner, responds to the demands of today's rapidly changing and unpredictable global marketplace that students will face when they enter the business world. The concepts-only text provides students with a timely, rigorous, and relevant book written in an engaging manner to spur their interest and excitement. This book provides a solid treatment of traditional topics in strategic management as well as contemporary topics such as entrepreneurship, knowledge management, and e-commerce and internet strategies. Numerous applications from business practice plus sidebars (approximately six per chapter) bring key concepts to life. Instructors can create their own case volumes for use with Strategic Management 3rd Edition from a variety of source- pre-selected case packets, customizing from a recommended set which have been carefully mapped to the chapter concepts, or from the entire Primis database which features cases from Harvard, Darden, INSEAD, Ivey, and other reputable sources.

Strategic Management: Text and Cases, 3rd Edition, by Dess/Lumpkin/Eisner is both readable and rigorousâ€ written for todayâ€™s student. A rocket-ship in its first editions, this revision continues to provide solid treatment of traditional topics in strategic management, as well as contemporary topics like entrepreneurship, innovation, knowledge management, and internet strategies. The prestigious author team understands the importance of thorough, modern concepts illustrated by rich, relevant, and teachable cases. The new case selections emphasize variety, currency, and familiar company names. The cases are up-to-date in terms of both financial data and strategic issues. This group of cases gives both instructors and students unparalleled quality and variety. Based on consistent reviewer feedback, these selections combine comprehensive and shorter length cases about well known companies.
