Strategic Marketing Management: The Framework is a streamlined marketing management and marketing strategy textbook. An abridged version of Strategic Marketing Management: Theory and Practice, this book focuses on the core marketing frameworks, principles, and concepts. It features fewer chapters, which are also slightly shorter and do not include marketing insights sections following each chapter.

### Strategic Marketing Management: The Framework - AChernev

Strategic Marketing Management (9th Edition) outlines the essentials of marketing theory and offers a structured approach to identifying, understanding, and solving marketing problems. This book presents a comprehensive framework for developing sound marketing strategies that guide business decisions involving product and service design, branding, pricing, sales promotion, communication, and distribution.
