The Europeanisation Of International Law
About The Europeanisation of Law. This book consists of interrelated essays by many past and present members of the EUI Law Department. The contributors are all well-known specialists in their fields, whose essays address such issues as the effects of integration upon certain national laws, the elaboration of EU law to provide a new framework for or replacement for national laws, the piece-meal development of specific legal strands of EU law and their intertwining with national or ...

The Europeanisation of International Law: The Status of ...

International law has increasingly become a part of the EU legal order, and has thereby become 'Europeanised'. Consequently, its application and interpretation by EU Member States is no longer solely a matter for their own constitutional order, but is also governed by EU law. This book addresses the effects of European integration on the position of public international law in the European Union and its Member States, illuminating critical questions pertaining to this triangular relationship.

The Europeanisation of International Law - The Status of ...

This book addresses the consequences of European integration for the position of public international law in the European Union and its Member States. Increasingly, international law has become a part of the EU legal order and is thereby 'europeanised'. The consequence is that its application and interpretation by the Member States is no longer solely a matter for their own constitutional order, but is also governed by EU law.

101+ Read Book The Europeanisation Of International Law ...

About The Europeanisation of English Tort Law. Tort law is often regarded as the clearest example of traditional common law reasoning. Yet, in the past 40 years, the common law of England and Wales has been subject to European influences as a result of the introduction of the European Communities Act 1972 and, more recently, the implementation of the Human Rights Act 1998 in October 2000.
