Frank Gambale Technique Book  
Review

Reviewed in the United  
States on August 5, 2006.  
Both Frank Gambale Technique  
Book I & II are essentially  
studies of five different  
improvisational approaches  
to tackle a particular chord  
type, namely: scale,  
pentatonics, arpeggios,  
triads, intervals. As such,  
Frank presents a wide range  
of harmonic possibilities on

The Frank Gambale Technique  
Book II: The Essential  
Soloing ...

The Technique Book is a method for examining what all these possibilities sound like over a given chord. Gambale provides all the options and then tells you what his preferred sounds are in context. It ends up that what Frank plays are moving harmonic progressions superimposed over more or less static
