The Golden Notebook is a 1962 novel by Doris Lessing. It, like the two books that followed it, enters the realm of what Margaret Drabble in *The Oxford Companion to English Literature* called Lessing's "inner space fiction"; her work that explores mental and societal breakdown. It contains powerful anti-war and anti-Stalinist messages, an extended analysis of communism and the Communist Party in ...

The Golden Book of Faerie is actually a series of four novels put together in one volume. The first book in this volume is The Hunters Moon. I enjoyed reading this book. It was a good introduction to the main characters in this series. This first novel is unpredictable and hard to determine what will happen next.
