"In *Whatever She Wants*, Andrew Rosetta lifts the lid on the mysterious, sexy and little-known world of the male escort. As one of the most sought-after escorts in London, Andrew's clients are many and varied- from a gangster's wife in search of a little fun to a world-famous pop star requiring the utmost discretion, all of them are looking for different things. Whatever She Wants reveals exactly what type of woman is willing to part with her money in search of sex, and what type of man is willing to provide it..."

High-profile escort, journalist, author, mum and sex-industry pioneer. A woman who prides herself on staying true and being empowered - even mentoring other women - yet who, when it comes to her own life, had become a dishevelled bloody mess. We left Samantha X confused at the end of HOOKED - should she stay escorting or hang up her high heels? In this fascinating, compelling sequel we see Samantha grow in to her new role as boss of her escort agency Samantha X Angels, how she deals with the girls, falling in love with Mr Big (while still managing to sneak in a few clients) ... and much, much more! BACK ON TOP is fast-paced and occasionally outrageous, told with the flair readers loved in HOOKED. Samantha X does not hold back when it comes men, love, sex - and getting herself back on top.

Dave meets a new girlfriend Susan, who he finds out was working as a part time Escort.... She was introduced to the game by her friend and eventually Dave became suspicious and confronted her. She then gives up visiting clients but is offered the chance to take over the agency as her boss was retiring and moving down to Devon. Dave and Susan take over the agency and the story is about how it all happened and the working girls and what they had to do. Excerpt...."So what happened Susan?" "Well, I told him it was my first time and never done anything like that before ... he sort of calmed down a bit and made me to sit on the bed with him. He said he was sorry and didn't know it was my first time and said, he understood and would be gentle with me." "I was feeling so horny at this point, I was on top of Susan fucking her really slowly as I got her to tell me more..." She continued, "He

started to hug me and then he was kissing me ... his hands were inside my blouse and bra, squeezing my tits and then he was between my legs ... He made me lie down on the bed while he went down on me... you know ... He pulled my knickers and tights right off but I still had my skirt and blouse on, then he was licking and fingering me... I started crying again but he didn't stop, I just lay there on the bed and let him do it. Then he got up and told my to take my clothes off ... he stripped off as well ... he was really looked really old and had a big belly. He told me not to cry but seemed to like seeing me upset ... And then he was on top of me ... he put it in and fucked me really hard for about 3 minutes ... grunting like a pig. When he finished, he got off and told me to play with myself while he watched me, sitting in a chair and playing with his dick again."Excerpt from Chapter 3 - Some of the girls.

Sharon lived in a beautiful big house in Surrey, a real stunner with long blond hair, she was like Purdy in the Avengers TV series, if you can remember that far back. Recently divorced with 2 lovely children running around in the garden. We sat there drinking tea from her expensive china tea set in the kitchen, discussing all kinds of things as if her escort work was completely normal. She was obviously quite well off and enjoyed escorting to supplement her income. If you ever met Sharon, you would never believe she was working as an escort. I used to find it really interesting meeting the girls and collecting our fees. Sharon was one of the original girls and regularly paid us £200 - 300 in weekly agency fees. I remember once when she refused to go and see a client. He had specifically asked to see her again ... She told us, he was a young guy in his early thirties and very strong, like a muscle builder. She was mid 40's and beautiful... Anyway, he apparently fucked her for hours and she told us... he wouldn't let her go home... He was like an animal, fucking without cumming for over an hour. Then

forcing her to do anal and sucking his cock. She said, she was crying because she was so sore and he wouldn't stop. He apparently really enjoyed hurting her and forcing his cock down her throat making her choke and gag. The poor girl was sobbing her heart out while telling me what he did to her. On top of all that, he still only paid her for an hour when it should have been 3 hours. We eventually found him another girl that day, and did warn her what he was like, but after her telling us a similar story after she saw him, I had to tell him, that our girls were refusing to meet him... and if he called us again, we would not be able help him. He got all abusive and told us there was nothing we could do as the girls were all slags and prostitutes and we could all fuck off...

Now the subject of the hit documentary *Scotty and the Secret History of Hollywood*, praised by *Vanity Fair* as “full of revelations” and *Entertainment Weekly* as “deliciously salacious,” *Full Service* is the remarkable true story of Scotty Bowers, the “gentleman hustler,” during the heyday of classic Hollywood. Newly discharged from the Marines after World War II, Bowers arrived in Hollywood in 1946. Young, charismatic, and strikingly handsome, he quickly caught the eye of many of the town's stars and starlets. He began sleeping with some himself, and connecting others with his coterie of young, attractive, and sexually free-spirited friends. His own lovers included Edith Piaf, Spencer Tracy, Vivien Leigh, Cary Grant, and the abdicated King of England Edward VIII, and he arranged tricks or otherwise crossed paths with Tennessee Williams, Charles Laughton, Vincent Price, Katharine Hepburn, Rita Hayworth, Errol Flynn, Gloria Swanson, Noël Coward, Mae West, James Dean, Rock Hudson and J. Edgar Hoover, to name but a few. *Full Service* is not only a fascinating chronicle of Hollywood's sexual underground, but also exposes the hypocrisy of the major

studios, who used actors to propagate a myth of a conformist, sexually innocent America knowing full well that their stars' personal lives differed dramatically from this family-friendly mold. As revelation-filled as Hollywood Babylon, Full Service provides a lost chapter in the history of the sexual revolution and is a testament to a man who provided sex, support, and affection to countless people.

In "All inclusive – the confessions of an escort, part 7", Liam continues to tell his story about how he became the most popular escort in Stockholm. Liam knows that he is irresistible. He can have whoever he wants, and he uses it to his advantage: at work in the sex shop, with teachers, with friends and sometimes with multiple people at the same time. He can't get enough. He has been taught by Mia, Célie and Célie in the art of pleasure, but so far he hasn't been paid to have sex. But when an older and very elegant couple visits the store where he works, everything changes. They offer Liam a job as an escort. Can he really make a career out of his promiscuity? Is this when his real life starts? Vanessa Salt is a pseudonym. Vanessa finds inspiration for the stories on her many travels, where hot exotic places nourish her erotic fantasies. She writes with humour about the passion that can arise when you least expect it.

This book is definitely making people talk. The controversial memoirs of a male escort in London is becoming the next stop for the Fifty Shades of Grey readers. A book that is attracting the curiosity of readers of all ages and all kinds of sexual preferences. Have you ever spanked a Rabbi? Walked into a 5 star hotel with a briefcase full of sex toys? Perhaps bedded a Royal Prince? "First Floor, Room 16" is the hilarious and detailed confessions of a male escort working in London. The book follows the exploits of Pedro the escort,

the personal life of Pablo and how these two live side by side as one person. Pedro brings the money and Pablo spends it and makes decisions. Pedro is a dominant rough top in bed and Pablo is a submissive naughty bottom. Pablo influences Pedro's sexual activities by adding new techniques, styles or sexual games that he learnt with his lovers, and Pedro uses them with his clients. Pablo is very organised, creative and charming so Pedro absorbs these qualities and uses them in his work. Pedro takes us on adventures through posh hotels and trips with Royals, with twists and turns that find him in some bizarre situations, moments of danger and in far corners of the world. Pablo on the other hand takes us on a journey of self-discovery; learning about love and relationships, financial management and how to have a life separate to the escorting world. Through entertaining anecdotes and vivid description, the pair teach us about the dos and don'ts of the industry and also of life itself, while breaking the modern day stereotypes of the escorting industry and of those who work in it. In the fall of 2012, quirky and cat-loving Cleveland librarian Jill Grunenwald got an alarming email from her younger sister: her sister was very concerned with Jill's weight and her overall mental and physical health. Having always struggled with her weight, Jill was currently hitting the scales at more than three hundred pounds. Right then, Jill looked in the mirror and decided that she needed to make a life-style change, pronto. She enrolled in Weight Watchers and did something else that she—the girl who avoided gym class like the plague in high school—never thought she'd do; Jill started running. And believe it or not, it wasn't that bad. Actually, it was kind of fun. Three months later, Jill did the previously unthinkable and ran her very first 5k at the Cleveland Metropolitan Zoo. Battling the infamous hills of the course, Jill conquered her fears and finished—but in dead last. Yep, the police were reopening the streets behind her. But Jill didn't let that get her down—because when you run for your health and happiness, your only real competition is yourself. Six years and more than one hundred pounds lost later, Jill is still running and racing regularly, and she is a proud member of the back of the pack in every race that she has entered. In this newly updated edition *Running with a Police Escort*, Jill chronicles her racing adventures, proving that being a slow runner takes just as much guts and heart as being an Olympic champion. At turns heartbreaking and hilarious, *Running with a Police Escort* is for every runner who has never won a race but still loves the sport.
