General. High school students should be aware that "College" Algebra (essentially high school Algebra II) is not taught at the University of Georgia. If you think you may major in Engineering, Science, or any major that requires Calculus, you will need to be prepared to take at least Precalculus (MATH 1113) when you arrive at UGA. If you wish to take a mathematics course above the level of Precalculus you will need to satisfy a prerequisite either through Placement, Exemption, or transfer ...

Undergraduate Placement | Department of Mathematics

MATH 2250 and MATH 2200 at UGA have a required prerequisite of Pre-Calculus (MATH 1113). Traditional ways to forego this requirement include: A score of 16 or higher on the UGA Math Exemption Exam. A score of 3 or higher on the AP Calculus AB or BC exam. ALEKS PPL Math Assessment now gives you a third option.
