From Santa Fe, New Mexico, to Edinburgh, Scotland, thirteen-year-old Adam Adlar must elude police while being hunted by a dinosaur come-to-life from a virtual reality game invented by his father, who has gone missing.

It's the end of the world as we know it . . . The stakes are higher than ever for Adam Adler, and he will be put to the test in a way he never imagined. Taken by a flying reptile with wings as big as a bus to the farthest reaches of Siberia, Adam once again finds himself at the center of a plot to take down the evil organization Geneflow, who plan to create an apocalypse, ending life on earth as we know it, in order to create a world of hyper-evolved beings. Adam will have to join forces with a deadly pterosaur named

Keera, and with the help of his old friend Zed, they'll need to risk everything to stop Geneflow once and for all and restore order to the world. This companion to Z.Rex and Z.Raptor once again brings dinosaurs colliding with modern society in an action-packed thriller perfect for fans of Alex Rider or Jurassic Park.

More nonstop action in the sequel to Z. Rex! Thirteen-year-old Adam Adlar used to have a normal life. Then his father created the most advanced video-game technology ever, and scientists stole this technology to create dinosaurs with a human's ability to learn . . . and a beast's ability to kill. Now hyper-evolved species of raptors battle in clans for supremacy on a deserted island where the only law is survival, and it's up to Adam to make

Stewart Penders is a 12-year-old kid who loves comics. He loves drawing his own creations, especially the adventures of his fantasy alter ego, Stupendous Man! Part of his passion for comics comes from his late granddad, who was a great comic book artist. Granddad has just died, leaving his house and its contents to Stew's family. But when his family move in, they are greeted by a pig in a top hat running amok through the house. When Stew explores the house later, he finds a discarded comic strip in the attic - featuring an image of the very same pig they just saw - and beside it a mysterious pot of ink. When Stew starts drawing with it, his artwork springs into life - and so begins a

hilarious adventure that could only have come from the madcap mind of Mr Steve Cole, bestselling author of *Astrosaurs*, *Cows in Action* and *Slime Squad!*

Smashing space stations! While on another vital mission, Captain Teggs and his crew nearly crash into an unknown spaceship. But when it spins around, the gaping hole and the mark of the meat-eaters reveal that it's a carnivore space station! What's it doing in the middle of the Vegetarian Sector? Teggs and his chief engineer, Iggy, board the space station to check it out. They soon discover that the only remaining dinosaurs in the ship are also two of the most evil criminals in the universe, and one of them is a genius. He's built a machine that can swap minds, and he's going to use it
